What does African Heritage Month mean to you?

Conrad Grosse, N.S. "Not a whole lot, I am involved year-round in my culture. One month diminishes it.

Chiedza Chimomde "A celebration of the African heritage; a realization of our roots and where we came

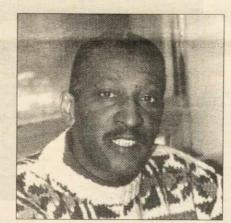

James Horstnan, Bridgewater, N.S. "Black people have just as much heritage as we do yet it tends to get shuffled away. We should learn to appreciate the black culture all year-round."

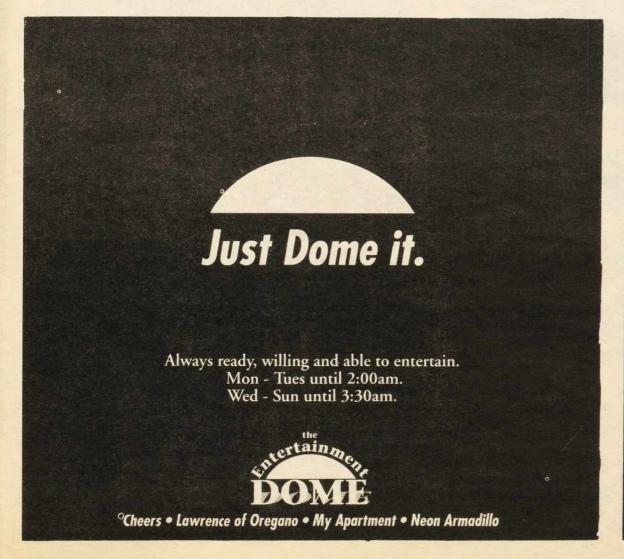

Adam Sparkes, Goose Bay, Labrador (L) "It's great that Nova Scotians have different backgrounds and can celebrate them. Andrew Thomson, Stratford, Ontario (R) "A wonderful celebration of cultural diversity."

"I think Dal should have a greater rapport with the Black community; increased awareness is the key. It's (African Heritage month) only for a day, a week, then it's over."
