INFLATION FIGHTING ideas

'Bag It'

Brown bagging isn't just for school kids any more. Office workers, blue collar workers, even business executives have caught on to the many advantages of packing their own lunches. Brown bag lunches provide greater flexibility in scheduling lunch hours; menus can be much more effective; and, of course, there is a sizeable economy value in bringing lunches from home instead of paying for restaurant meals.

Safeway has everything for the Brown Bagger: breads, spreads, luncheon meats, soups, cheese, as well as lunch bags, lunch boxes, thermos bottles. Get into the brown bagging routine and strike another blow in the fight against inflation!

... together, we can be INFLATION FIGHTERS!
