Ottawa, 23rd August, 1919.

My dear Mr. Smith,

I greatly appreciate your kind letter of August the 15th. It accompanies one from your brother conveying his own and your mother's best wishes.

I need no assurances as to the goodwill of all the members of your family: it is gratifying indeed to receive such welcome expressions of your confidence.

With kind personal regards, I remain

Yours sincerely,

Mr. Arthur C. Smith
