18th Feby. 6.

Sir,

I have to acknowledge the receipt of your letter of the 28th ultimo, with further reference to the request of the McCaffrays as regards the building of the barn on the land held by them under lease to us; and in reply I have to inform you that the barn agreed to be built by the McCaffrays was to be 30 x 40 ft. They now wish to build the barn 10 feet longer, that is 40 x 40 ft. The proposition now is to spend less on the building.

Thomas Gordon Esq.

Indian Agent.
