I received a letter from
 Mr. W. H. Brown, Inspector,
 from Port Arthur on 4/21/11
 that he was receiving
 about the matter expected to get
 Pays Pilot, and that he
 this year he will pay about \$1000
 for the same. He told me to tell all
 the Indians in my band to get
 up to Michigan to get their
 treaty money up soon.
 So I told the Indians about
 this; what Mr. Brown told me
 same the Indians here they
 don't want to go up to Michigan
 same time.
