OTTAWA, 10th August, 1904.

Sir:-

Referring to your letter of the 5th of April last, which states that you found green trees cut on the Reserve, but could not find who cut them, I beg to inform you that your best efforts and those of the Forest Bailiff should be directed towards getting at the facts.

It seems extraordinary that the illegal cutting of timber is going on continually and that you are unable to check it or to ascertain who the guilty persons are.

Your obedient servant,

Secretary.
