

LETTER OF TRANSMITTAL

EUGENE HAANEL, Ph.D.,
Director Mines Branch,
Department of Mines,
Canada.

SIR, I have the honour to submit, herewith, Parts I and II of a Report on the Building and Ornamental Stones of Canada. Part I consists of a general introduction to the subject, and deals with the chemical, physical, and geological features of building stone, and the methods of quarrying, testing, and preparing stone for the market. Part II consists of a systematic description of the Building and Ornamental Stones occurring in that part of Ontario lying south of the Ottawa and the French rivers.

I have the honour to be, Sir,

Your obedient servant,

(Signed) W. A. Parks.
