

been prepared with care by one of our members, which cannot fail to fill a want long felt by us all. Before closing, I would throw out a suggestion whether it would not be advisable to publish a list of the members, with their addresses, for distribution freely among our municipalities. It is but right and due to the public that they should know who are the reliable and go-ahead men of the profession, and whom it will be in their interest to employ. Let us have faith in ourselves and others will do the same.

In retiring from the office of president of your Association, which I have held by your suffrages for the last two years, allow me to thank you, one and all, for your kindness and courtesy to me. It has been a great pleasure to me to think that I have been, even in a small way, useful to my fellow-workers, and I would bespeak for him who will follow me in this chair the same cordial assistance which you have rendered me. The co-operation of one and all is necessary to success; assured of that, I have no fear for the future of our Association.

GEORGE B. KIRKPATRICK,

*President of the Association of Provincial Land Surveyors of Ontario.*

*Toronto, Canada, February 28, 1888.*

Mr. W. R. Aylesworth, in moving a vote of thanks, said that the President had done invaluable work for the Association and to the profession during the two years he had held that office, and that his address was a very valuable one.

Vote of thanks was seconded by Mr. Niven, and then tendered the President.

Mr. Kirkpatrick in reply thanked Association for hearty vote of thanks tendered, and stated he would always endeavour to do all he could for the benefit of the Association. Let each member use a paddle and the canoe will then get along all right. (Applause.)
