Delivery of Pigs

The demand for Farm and Dairy premium pigs keeps up unabated. Our pig offer has proved to be most popular. And rightly so, for it is an easy atter to secure seven new sub \$1.00 each, which are the easy conditions covering these premiums. Farm and Dairy will continue to receive clubs of seven new subscriptions for which will be given pure bred pigs eligible for registration. Pigs will be delivered later in the season or as soon as they can be secured from the breed-

than the early seeding. Potatoes are going to be a great crop if blight does not strike them. Corn will be a heavy crop; sature is very good for this time of year, which is to be a fixed their march hay which is to be a fluckleberries were a great crop. Apples are going to be scarce.—I. K.
