Victory Near La Bassee Brings British Within Striking Distance of Important Railway

U. S. TO DEMAND REPARATION

Neutrality Board Formulating Views on Sinking of American Steamer.—Russians Have Driven Enemy From Augustowo.

The bombardment of Nieuport by the Germans with their forty-two centimetre guns and an important victory of the British troops near La Bassee are the tory of the extrem twops has been are the principal features of the communique issued last night by the French War Office. The British troops, supported by heavy artillery, not only captured the village of Neuve Chappelle, north of La Bassee, but advan toward the town of Aubers, to the northeast. are now within striking distance of the railway line cunning from La Bassee, and if they can maintain their progress, should be able, within a short time, to force the German retirement from that district. isolation of La Bassee would compel the Germans to evacuate the town and would be an important part of the campaign directed toward the recapture of

Arrival of the German converted cruiser Prinz Eitel Friederich at Newport News, with the anno that during her six months' scouring of the seas as a commerce raider she had sent to the bottom one essel which was American-owned and flew the flag of the United States, profoundly stirred official Washington. Immediate reparation from Germany will be lemanded for the destruction in the open sea of the American cargo ship William P. Frye 27th last by the Eitel Friederich. Last night the Neutrality Board selected by the Secretary of the Navy, Mr. Daniels, met to formulate the views of the United States on this incident. The opinion prevails in Washington that the act of the Eitel Friederich in destroying on the high seas a neutral merchantman carrying a non-contraband cargo constitutes the most flagrant abuse of the rights of a neutral of which any nation has been guilty since the

The Germans have abandoned Augustowo (in Rus sian 2Poland, 140 miles northeast of Warsaw), and The Printers' and Publishers' Association of Man- the Russians are already on the outskirts of the is said to be hard pressed, and an officer who has arrived at Petrograd from Przemysl says that part of the outworks are already in Russian hands and that those works still held by the Austrians have been much damaged. More than half the garrison of 60,000, it is asserted, have been lost.

Balked at other points, the Germans are making another attempt to break through the Russian line of fortresses in Northern Poland. They are advancing from Khorjele, on the East Prussian frontier, along the Orzyc River and by the roads leading southward to Przasnysz. This is one of the routes the Germans took in their great rush from East Prussia in For the first time in nearly two years, the Gary, February, which finally ended in their defeat at

> The Berlin Vorwaerts, as quoted by a Copenhagen correspondent, says that dissension among the Socialists of Germany has led to a split in their party. On one side are the Socialists of the old school, and on the other the National reformists. The Vorwaerts laments this schism, and says that German Liberals
