Manufacturing

COMPANY

Proprietors

The business carried on at Oshawa, by the late Joseph Hall, and more recently by his Executors, has been purchased including Shops, Machinery, Patterns &c., by the Joseph Hall Manufacturing Company, who will continue the business in all its branches with increased energy and vigor. Our facilities will be very much increased by the addition of New Machinery, and a more thorough organization. Through our connection with the Glen and Hall Manufacturing Co., of Rochester, we shall continue to receive all valuable improvements introduced in the United States. We shall offer, this season, our well-known Machines, with many valuable im-

provements, and shall, as usual, keep constantly on hand duplicate parts of all our manufactures, thus enabling us to supply the wants of our customers and save them from delay in case of accidents.

MR. F. W. GLEN

Will continue to give his time to the Management of the Business. We are determined that all that capital

ALLEN'S LUNG BALSAM!

THE REMEDY FOR CURING

Consumption, Coughs, Bronchitis, Asthma, Croup,

Diseases of the Throat, Pains and Oppression of Chest or Lungs, Difficult Breathing, and all the Diseases of the Pulmonary Organs.

This Balsam is introduced to the suffering public after its merits for the positive cure of such diseases have been fully tested. The formula from which it is prepared is referred to by the leading medical Journals as being equal to any prescription that can be made up for such diseases by the medical faculty. The Balsam is, consequently, recommended by physicians who have become acquainted with its great success.

As an Expectorant it has no equal

It is composed of the active principles of Roots and Plants, which are chemically extracted, so as to retain all their medicinal qualities.

Ministers and Public Speakers

Who are so often afflicted with Throat Diseases, will find a sure remedy in this Balsam. Lozenges and wafers sometimes give relief, but this Balsam, taken a few times, will insure a permanent cure.

RHEUMATISM, NEURALGIA, DIPHTHERIA.
