SPECIAL FEED COOKER BARGAIN

In order to introduce at least one of our Cookers into every locality, we are making a special low price on the IMPROVED BELLEFLEUR FEED COOKER, TANK HEATER AND STEAM GENERATOR for October. Cooks a barrel of ground feed in 30 minutes, 25 bushels of ground corn in two hours, or heats a barrel of water hot enough to scald hogs in 30 minutes. Note what experienced users say of it:

Breeder Polled Durham cattle, Waterman, Ill., Ripley Hardware Co., Grafton, Ill.: (March 20, '99).
Gentlemen,—After using your Cooker for over a year I can say that it is all right, and will do all you claim for it. I use it every day to warm milk for the calves, and heat water to wash cans and pails in, and by turning the steam in them they are thoroughly cleaned. Can boil water in a few minutes to scald hogs in. I cook feed and warm water for the hogs at a distance of 50 feet from cooker. I use 1-inch gas-pipe to carry the steam where I want it. My cooker takes the place of two tank heaters, as I heat the water in two stock tanks with it; one of them is 130 feet from cooker, and it works all right, and did when the thermometer stood 22 degrees below zero. I am well pleased with the Cooker, and do not see how I could get along without it. S. M. HENDERSON.
Oak Lodge Stock Farm, J. E. Brethour, Importer and Breeder of Improved Large White Yorkshire Hogs. The largest herd of this celebrated breed in America. Burford, Ont., Canada, Feb. 4, 1899.
Ripley Hardware Co., Grafton, Ill.
Gentlemen,—I am in receipt of your letter of Jan. 19th. I would have replied earlier, but I wished to thoroughly test the Cooker before making any statement. I have made a pretty thorough test of it, and I am satisfied that it does all you claim for it. My hogs have done much better since I started using your Cooker. I am feeding ground grain, which I scald and feed while warm. I am also using the Cooker as a means of heating my hog pens, by having steam pipes running through the pens. Last week, when the thermometer was several degrees below zero, the pens were quite comfortable, and I saved several litters of young pigs that I am sure would have perished with the cold. I take pleasure in recommending your Cooker.
P. S.—Size of hog-pen, 18x80 feet. I cook feed for 150 pure-bred Yorkshires.
Wyoming, Ontario, Canada, March 27th, 1899.
The Ripley Hardware Co., Grafton, Ill.:
Gentlemen,—We have used your Feed Cooker every other day during the past three months, and are well pleased with it. It is just what we wanted, and it does all you claim for it. L. L. WEATHERILL.
Cartwright, Manitoba, June 8, 1899.
Your letter of inquiry received regarding Feed Cooker. In reply would say it is all right; first-class in every particular. I would not be without it. I think every farmer that feeds stock should have one. I have cooked wheat for 150 head of cattle and 10 horses for the last two months. I am well pleased with it. Your Cooker has my best wishes for its success.
Yours truly,
JOHN WALLACE.
