### A GOLDEN OPPORTUNITY FOR THE FARMER AND INVESTOR.

#### THE FARMER

Who owns a small farm or high-priced land will find here an opportunity to get as good land that will produce more wheat of better quality than the land he now operates, at one-quarter the price. This is the finest prairie land in the world, with a soil of rich black vegetable loam, with a clay subsoil, and needs but the plow to make it yield a competence and a fortune. Sell your old farm, buy a bigger one in Western Canada, and put the balance in the bank.

This is Your Opportunity. TRY IT. Your Choice of over 2,000,000 Acres at \$7.00 Per Acre.

#### YOU CAN SELECT YOUR OWN LANDS

It does not require much space to convince you of the advantage this privilege gives early buyers, who can now have the pick of 2,000,000 acres of the choicest land in all Canada, the most marvellous agricultural country in the world. The prosperous days are just beginning for Western Canada. The tremendous immigration that is now on and the bountiful crops that are now assured will advance the land rapidly. Do not delay until this advance has started—BUY NOW.

Plainness is more often a virtue than a fault. The smaller price of this style does not mean a single sacrifice of value. It costs us a little less to make up, and we give you the benefit. No store or home could get better value at any price. Its popularity is as far-reaching as its adaptability. Send to
