

Why we can make a SUIT or OVERCOAT to your individual measure for **\$15.**

that you can't buy, ready-made, for \$5. more.

When you buy ready-made clothes, you pay the wholesalers', jobbers' and retailers' profits. A suit that costs \$15. to make, grows into an \$25. suit by the time the retailer has put his price tag upon it.

We buy all our Tweeds, Woolens, etc., direct from the mills. Every garment is made in our own workrooms, by expert tailors. We buy in enormous quantities—get the lowest prices—and share all these savings with you.

We send a fine assortment of sample patterns—a book showing latest styles—a tape line—and measurement blanks—FREE OF CHARGE.

We ship the garments C. O. D. express prepaid and leave it to you to say whether or not you will take them, after trying them on.

Send for samples of our new fall and winter suitings and overcoatings—made to measure for \$15., \$20. and \$25. Write us to-day.

"CANADA'S BEST" GRAIN GRINDER

"Canada's Best" Grain Grinder has every improvement found on other grinders and many exclusively its own.

The Quick Release Lever is instantaneous in throwing the plates apart to allow foreign substances to pass out and, in itself, makes our grinder superior to all others; has concave and convex plates, with grinding surfaces on both sides. These plates are reversible, which gives double the services.

Every feature of "Canada's Best" Grinder is given the same thoughtful care and scientific construction as the two named; our free booklet tells all about the others.
