Redvers, Assa., Oct. 26, 1904.

Messrs. Cockshutt Plow Co.:

Gentlemen,—The Single Disc Drill which I bought from Messrs. Johnson Bros. last spring gives good satisfaction. It cleans in all kinds of soil and makes a wide seed-bed, leaving a fine covering over all. For strength and durability it is a drill which is hard to beat. Believe me,
 Yours truly,
 J. G. LEWTHWAITE.
