Ireland. The London News says: Rumor finds favor in Dublin that Earl Cowper, Lord-Lieutenant of Ireland, is about to resign, and it may be taken as a proof that in the opinion of well-informed persons in Ireland, some further step, if not some change of policy, must be made if order is to be re-established.

Dublin, April 11.—Sweeney, the Westmeath landlord whose sister-in-law was recently shot dead, has written to his tenants revoking the intended reduction of rents, as he considers many of them guilty of direct or indirect complicity in the murder.

London, April 11.—Parnell took an early train for Dover this afternoon to avoid a demonstration which would have been made had he taken his departure on the Continental train from Charing Cross. Conversing with a friend he said he had little to complain of regarding his prison treatment. He hoped other suspects were as well cared for. He had no reason to doubt that they were. Parnell expressed the belief that if the Government introduced a bill to relieve the poor tenants of rent, and amend the Land Act regarding purchase, so as practically to assist tenants to become owners of their farms, a result which he thought would go a long way to restore peace and order. He said he would remain in Paris quietly until the latest moment consistent with his parole. Parnell refuses to see the correspondent of the Irish World.

Dublin, April 11.—The American suspect, White, has been unaccountably released from Naas jail. During the illuminations at Roscommon last night in honor of the release of Parnell, the windows of houses not illuminated were smashed. The house of Major Waring was attacked and the windows broken. Serious rioting ensued, and the military were called to assist the police. Three rioters were seriously injured.

London, April 12.—The Catholic clergy of the Diocese of Cashel and Emly have passed resolutions pledging themselves to exert all their influence to prevent outrages; demanding the cessation of coercion and eviction of tenants for arrears of rent, and pledging themselves to co-operate with the people's representatives in the object of securing large amendments to the Land Act.

Dublin, April 14.—The ban placed upon the publication of the United Ireland has apparently been removed. The paper is sold openly in the streets. The moderation of tone continues.

Dublin, April 14.—Twenty-five imprisoned suspects have been transferred to Limerick and Naas jails, on account of the bad sanitary condition of the Clonmel prison.

The Times considers the Tory demonstration held at Liverpool on Thursday night a political event of the first importance. It occurs with the Marquis of Salisbury in his assertions that were Ireland subject to the rule of Germany, France or the United States, organized crime would be promptly and peremptorily stamped out.

London, April 14.—Edward Shiel, Home Ruler, was elected to Parliament to-day for Meath.

Joseph Cowen, member of Parliament, having been invited to preside at a Radical demonstration to thank the Government for the release of Parnell, refuses on the ground that no thanks are due. He says the Government deserve more censure than they receive for imprisoning an honorable political opponent.

The London Daily News is alarmed at the prospect of the Colonies being allowed to negotiate commercial treaties on their own account, and thinks that if arrangements were thus made, which in practice would be disadvantageous to the trade of the Mother Country, the integrity of the Empire would be violated and an important step taken towards independence.

Russia. St. Petersburg, April 12.—Five thousand Jews were recently expelled from Moscow. During the Easter holidays the streets of Odessa were patrolled by troops. Seven hundred persons, mostly without passports, have been arrested within a few days.

A despatch received at Vienna states that anti-Jewish riots have taken place at Ananief, in the Province of Kherson, during which thirty houses were demolished and a number of persons wounded. Troops have been ordered from Odessa to proceed to that district to preserve peace.

St. Petersburg, April 13.—The Minister of the Imperial Household has issued a circular announcing that the coronation of the Czar will take place in August, and by the Imperial command all dignitaries of the Empire must attend the ceremony in Moscow. The festivities will last a fortnight, and the expenses will amount to 10,000,000 roubles.

St. Petersburg, April 14.—Anti-Jewish riots occurred at Balla on the 11th inst. The troops suppressed the disturbance after some hours, but they were renewed during the night. Order was re-established on the 12th by reinforcements of troops. At Letshie on the 12th inst. the houses of the Jews were attacked. The ringleader of the assaults was arrested.

United States. Washington, April 11.—The book upon which Guitien has been for some time engaged has just been printed. It is entitled "The truth and the removal." It contains numerous letters of sympathy, including more than thirty pages of communications from young women in New York city. In the preface the author says, "If all other remedies fail, I shall boldly appeal to the President for relief under my own hand." Further on he says, "I had rather die to glory in June than to Auburn Prison for life."

New York, April 11.—Mrs. Nicholas Smith (Ida Greeley), eldest daughter of Horace Greeley, died this morning of diphtheria, at Chappaqua, N. Y. She

leaves three children, the youngest four weeks old. Mrs. Smith was ill only one week.

The missing training ship Port-mouth has arrived at Newport, R. I.—At the meeting of the National Land League to-day, among other business, the Secretary gave a report of money received in aid of the "cause," from which it appears that the amount sent to Ireland direct and from Treasurers was \$275,000, from and from Leagues in good standing. The Secretary said there were other sums to the credit of the League which had not been received. He believed the total receipts since the Buffalo convention were nearly \$300,000.

Among other resolutions unanimously passed was the following: Resolved—That we are proud of the Christian forbearance of the Irish people under their dreadful exasperations and while exhorting every man in Ireland to continue to use his influence in preventing even the least act of violence, we solemnly charge the British Government with the responsibility of all the crimes and outrages since an extraordinary nature occurring since the imprisonment of the chosen leaders of an indomitable but exasperated race.

Canadian. Winnipeg, April 10.—Upwards of 1,000 immigrants have arrived here in the last twenty-four hours with regular and Great Western excursions, and 500 more will arrive by Grand Trunk special this evening. Four hundred entries for horses and stables were made in ten days last month at the Turtle Mountain land office. Detroit, April 12.—At three o'clock this morning the schooner Thomas Parsons, upward bound, collided with the schooner Clayton Belle, on the lake, ten miles north of Port Huron. The Clayton Belle sank in a few minutes. The second mate, Dillon, William Sullivan, and Thos. Kirkwin, of the Belle, were saved, but the Captain and three others were lost. The lost schooner was valued at \$10,000; insured for \$6,000. The cargo of pig iron was valued at \$13,000. Chesborough, Dillon and one other jumped on the Parsons and were saved. Capt. Fred Caldwell, Samuel Brotherton (mate), Dell Brotherton, his son; the steward and a woman, name unknown, were left in the water. All perished from the extreme coldness of the wind and water.

LOCAL NEWS.

Work has already commenced on the new separate school house, and we understand it is the intention of the Trustees to push the work as rapidly as possible.

The tavern and shop licenses for the city have been granted and are about the same as last year, the only difference being the striking off of the beer gardens and the granting of two additional hotel licenses.

Mr. Dorsey, senior, of Bidulph, the father of the late Mr. Dorsey, of the same township, only survived his son a few weeks. He was a fine old man, and one who worked at his trade as blacksmith in London for a number of years. The funeral, an unusually large one, took place on Friday last.

Mr. Hugh Macmahon, Q. C., has returned from Winnipeg, looking well, and reporting the boom as remarkably healthy. He has made some lucky hits, and cleared several thousand dollars. The stories of his losses by Londoners, he says, are foundationless. Mr. Macmahon will spend a few weeks in London, and then return to the Prairie Province.

During the coming spring operations will be commenced on a new Roman Catholic Church at Leamington, in the parish of Maidstone, Essex county. It will be a frame structure, costing between \$1,000 and \$2,000, towards which \$1,200 has already been collected. There is no other R. C. church within a radius of forty miles. Rev. Father Molphy, of Maidstone, will have the new church under his charge. The site is already the property of the Diocese.

A form of agreement is being prepared by Mr. Fraser, solicitor for the London Junction Railway, to be signed by the gentlemen who propose accepting the lease of the London & Port Stanley road, on the event of the withdrawal of the Great Western. The document on its completion will be submitted to Mr. Meredith, the city solicitor. MINERAL SPRINGS.

We have received a copy of The Bather, a monthly published at Mt. Clemens, Mich., U. S., by the Mt. Clemens Mineral Spring Co., Limited, from which we gather much valuable information in regard to the treatment and cure of Rheumatism in all its varied forms, Salt Rheum, Eczema, Scrofula, Syphilis, &c., &c. Few in Canada are aware of the existence of these truly wonderful springs, which are unlike any waters in the known world in their medicinal properties. The analysis given in the Bather shows the waters to contain more of the ingredients which are universally credited by the medical profession as being the chief curative elements in all Rheumatic complaints, than any of the famous waters of the two hemispheres. We would therefore recommend all who are suffering from this and all kindred diseases to write to the Mt. Clemens Mineral Spring Co. for a copy of the Bather which is cheerfully mailed free to all.

OBITUARY.

We announce with regret the death of Mrs. McConnell, of Wawanesa, which occurred on Holy Thursday, at the early age of 36. Her funeral, which took place on Easter Sunday, was attended by a large concourse of friends and neighbors. Mrs. McConnell leaves a husband and six children to deplore her demise. She was a lady of excellent qualities, a devoted Catholic, and kind mother, and will long be mourned by all who enjoyed the privilege of her acquaintance.

C. M. B. A. NOTES.

Branch No. 15, Toronto Ont., was organized on 10th, by Mr. W. J. McKee, Windsor. This branch will no doubt be one of the strongest in Canada, as the charter members are men of considerable experience in society work, and the field in which they have to operate is large compared with that of other Branches. There is room for two or three more Branches in Toronto. The following are the officers of Branch 15 for the ensuing term: Spiritual Director—Rev. Stephanus Klein. President—John Keln. 1st Vice-Pres.—M. Meyer. 2nd Vice-Pres.—Max Jung. Recording Secretary—Jno. S. Keln. Assistant Sec.—Ebach Frank. Financial do.—Theo. Brann. Treasurer—V. M. Kisch. Marshal—Joseph Knecht. Guard—Jacob von Zuben. Trustees—Jno. Keln, Max Jung, and Thos. Foley for two years; and Otto Winkler, and P. R. Rohleder, for one year.

Those Branches that have not yet sent in their quarterly Reports are requested to do so at once, and remit same time the Proposition tax, and Supervising medical Examiner's fees. The regulations of our council make it imperative to have the Medical Examiner's fees paid quarterly, and we hope all our Branches will attend strictly to this matter. We also request Recording Secretaries to be more prompt in sending membership Reports and applications for Beneficiary certificates. It is now necessary for every C. M. B. A. member to have a Beneficiary certificate.

On March 1st, our council issued a C. M. B. A. circular, explaining in a concise manner the objects and workings of our association. These circulars will help greatly in increasing our membership, and in giving our members a better knowledge of our work.

SAM. R. BROWN, Sec. Grand Council.

"GOOD OLD FRIENDS."

A very pleasant meeting took place last evening at the residence of Alderman C. Donovan. It was composed of the members of the old "St. Patrick's Band" and their friends, who assembled for the purpose of a social reunion and of paying a compliment to Mr. D., the first leader of the band and manager of its affairs for many years. The band reorganized for the occasion under its old name, and embracing nearly all who had been members of it within a period of 13 years, appeared in full array under the leadership of Mr. J. B. Nelligan, and performed a short but well selected programme of music. All present, including a number of one time or other identified with the band or its interests, the enjoyment produced by the events of the evening was universally shared. Mr. Stephen Cleary, as one of the oldest members of the band, in his opening remarks, referred in flattering terms to the career of Mr. Donovan, and expressed the pride and pleasure which all must feel at his advancement, and the esteem in which they held him. The band, highly respected by the band, followed in a similar strain, adding that he was happy to be once more amongst many good old friends. Other speeches succeeded, delivered by ex-Ald. Baine, O'Neill, Lawlor and Byrne, in the course of which old-time reminiscences were recalled, the relation of which afforded much interest and amusement. The evening closed in a most enjoyable manner, the enjoyment of which was heightened by a series of songs and recitations, in the rendering of which Messrs. Nelligan, Merin, M. Murphy No. 2 (of the band), Hanley and Audette took part. It was a social gathering of the most friendly order, all vying with each other in their efforts to amuse the company and to express their regard and esteem for the gentleman whom they had assembled to honor. Ald. Donovan was to be congratulated on his many warm and enthusiastic friends, and the manner in which he responded last evening to their kind sentiments showed that he fully values and appreciates their friendship.—Hamilton Times, April 15.

FROM GODERICH.

We made announcement in a recent issue that the Rev. Father Watters, of Goderich, had made a purchase of a new altar for his church in that town. On Sunday last took place its solemn consecration, in the presence of a very large concourse of people. The ceremony was performed by the Very Rev. Dean Murphy, assisted by Rev. Fathers Watters and O'Mahony. After the blessing of the altar, High Mass was sung by Dean Murphy. Rev. Father O'Mahony, of London, ascended the pulpit after the first gospel and delivered a powerful discourse upon the use and importance of the altar in Catholic service, and spoke at some length of the dread sacrifice of the Mass, with its awful mysteries and saving power. The musical portion of the service was exceptionally fine. Miss May Robinson, the Misses Bidulph, the Misses Doyle and Miss Toller sustained their various parts with exquisite skill and good taste. Mr. John Robinson, of Goderich, and Mr. Lebel, of London, gave the choir the benefit of their valued assistance. In the evening the church was crowded by a very appreciative audience, to hear Father O'Mahony's lecture on the Church in Society. The very gentleman dealt with this engaging topic in a vigor, clearness and eloquence that bespeak the profound thinker, the close reasoner and able speaker. In his peroration, Father O'Mahony referred to the religious liberty enjoyed in the Dominion of Canada, and paid a glowing tribute to this country, and predicted for it a glorious future. We regret being unable to give a fuller report of this discourse, but all our readers who have heard Father O'Mahony can form some idea of the thoroughness with which he treated his subject in Goderich, on last Sunday evening.

Miss Annie Downey, of Seaforth, presided with her accustomed grace and skill. The Messrs. Killoran and Walsh contributed with much ability to the organ renditions. We congratulate the pastor and people of Goderich on their

possessing one of the finest altars in the diocese. They have every reason to feel proud of the success in every sense of last Sunday's sermon.

SEAFORTH LETTER.

The services in the St. James Roman Catholic Church here on Easter Sunday, were of a particularly grand character. High Mass was celebrated at 10.30 a. m. by the pastor, Rev. Father Shea, at the close of which he delivered a magnificent sermon on the Resurrection. Of all the discourses which it has been our pleasure to listen to from the rev. gentleman, this was par excellence the best of all. He treated the subject from the birth of Our Lord to the glorious triumph of Easter Sunday, and depicted in glowing terms the benefits which the Christian world received after its release from the thrall of Satan. His discourse lasted about an hour in delivery, and was replete with instruction and sound doctrine throughout. The church was well filled, many Protestants being noticed among the congregation. The Mass sung was Peter's in D, and was rendered in faultless style, nothing like it being heard before outside of the city. In the evening at 7 o'clock, a Grand Vespers service was given, after which the sermon of the altar was a blaze of light, and taken together with all lamps in the church being lit the effect was one grand illumination. The decorations on the altar were something superb, the colors of the stained glass windows blending beautifully with the other surroundings. It required considerable work and ingenuity to place the various decorations in such places as would show to the best advantage, and it must be alike gratifying to the young ladies of the congregation who did the work, and to our respected pastor, to hear such high encomiums passed upon the skill displayed in the decorations as were heard to fall from the lips of many who were present that evening, our Protestant friends being lost in admiration at the grand display. The church was crowded to the doors, many having to go away on account of there being no room. A large proportion of the congregation were Protestants, which shows the high regard they have for the Easter services as carried out by the Catholic Church. A word more before finishing regarding our choir. The singing at both vespers and Benediction was simply perfect, if I might make use of such a term. The solos by Miss L. Walsh and Miss M. Killoran, respectively, were musical gems of the highest order, that of Miss Walsh's being particularly fine. In fact, it is a common expression among outsiders that if you want to hear music rendered as it should be you have to go to St. James' Catholic Church for it, which speaks well for the choir, as likewise for the efficient and painstaking organization, Messrs. Amie Downey, The Pastor and Misses Killoran, for the support of the pastor were taken up as usual and I understand were of a very liberal character.

On Easter Monday we had a grand concert in Cardno's Music Hall, which was well attended, considering the very cold evening. Miss Reilly, of Simcoe, and Mr. Dromgole, of London, were among the singers. Besides their own choir, assisted by several well-known amateurs, took part in the evening's entertainment. The concert was a grand success, from a musical point of view at least, and the various singers did their parts remarkably well. Among our own talent, Miss L. Walsh stands out prominently among the foremost, being marked by a purity of tone and distinct articulation worthy of all praise. It would be useless on my part to dwell at any particular length on the favors created by the appearance of Miss Reilly and Mr. Dromgole. They are too well known and appreciated throughout Western Ontario, to need anything said in their favor as vocalists of the highest order. However, a few words regarding Mr. Dromgole's singing may not be out of place. His rendering of "There's a dear spot in Ireland," was so touching and pathetic, that scarcely an Irish man or Irish woman in the audience could refrain from shedding a tear as the thought of separation from the dear old land flashed through their minds while the painful memories were thus awakened, and as I noticed many a moistened eye in the audience, even among strong men, I could not help exclaiming to myself: in the language of a well-known King of England, regretting the defeat of his troops, under the Duke of Cumberland, at Culloden, by the Irish Brigade, "Cursed be the laws that deprived me of such subjects." Although not wishing to be so strong in language, yet many an Irishman has called down the maledictions of heaven upon the Government that drove him from his native land because he was a disaffected subject. Through all his diatribe and clings to his faith. Though I am a little Irish, I trust you will pardon my saying, and I will merely say that all Mr. Dromgole's selections were of the finest, and his renderings of them were masterly. He has created a very favorable impression here, and I trust the day is not far distant when he will be able to favor us with another visit. Miss Annie Downey presided at the piano with her usual grace and skill. Taken altogether, the concert and the large number of Protestants that were in attendance shows unmistakably the esteem in which our good pastor, Rev. Father Shea, is held by them.
