STARR KIDNEY PAD. For Kidney Diseases.

FIFTEEN YEARS A SUFFERER. TUESDAY TOWNSHIP, April 20, 1882.

W. T. BAAY, Esq., Chemist and Druggist, Wingham.

Dear Sir,—I beg to state that the "Starr Kidney Pad" I bought from you entirely cured me of a very lame back with which I had been troubled for the past fifteen years.

I tried all the doctors around the section, and bought every known thing that has been recommended. I never received the slightest relief until I had worn the Pad about a month. From that time I have not had an ache or pain of any kind, and I can cheerfully recommend it to anyone suffering from a similar case.

I have known Mr. Robert Kennedy for 15 years, and anything he may state can be relied upon. W. T. BAAY, Wingham, April 22, 1882.

"This volume, which will be heartily welcomed by the many admirers of the late lamented Dr. Guard, on both the Atlantic and Pacific shores, is a most interesting and characteristic address. It is more brilliant than Parnson's. His sermons are usually free of unimportant details. Every eye of those gathered into the present volume by his son, will be drawn to the presence in the vicinity. The volume is more than a mere collection of his sermons and addresses, but a carefully selected and edited volume."
