To Make  
Home  
Pretty and  
Attractive

is the wish of every lady. Perhaps we  
can help you a little by improving some un-  
sightly arch, a nice piece over a bay window, a  
screen for a stairway, a cozy corner, a hand-  
some stationary or folding screen. The ex-  
pense will not be much and would add greatly  
to the appearance of the room. We make  
these in Moorish fret work, Japanese fret work  
Scroll or Grille work, all combinations of the  
different styles and makes, finished in any  
kind of wood desired. For further particulars

**The Cushion Frame Idea**

means more probably than  
you realize.

It means added pleasure to the sport.  
It means you wheel will last longer.  
It means that you can ride over the roughest  
roads without in the least decreasing  
your speed  
It means that you can pump up your tires  
as hard as you like and still sit com-  
fortably on your seat over rough roads.  
Thousands all over the world swear by it;  
don't you think you will be studying your  
own interests in investigating it?
