MATTERS OF INTEREST. LOCAL

SATURDAY

It is very probable that the teachers at the city schools will soon have an increase of salary. In answer to a petition, a committee was appointed by the school beard to look into the matter and the committee has recommend ed the increase. The teachers of grade sight and the lady teachers are menioned in particular.

A collision of Seal Cove, Grand Man tn. N. B., last week between two well known large motor boats, the Atlantic, owned and sailed by, Captain Sumner Stuart, and the Bessie L., owned by the William St. Established 1870. E. A. Holmes estate, and managed by for family price list. Captain T. Calder, came near putting oth crafts out of business.
