

GLORIOUS OCCASION

Fourth of July Celebration Most Brilliant in History of Dawson

RAIN INTERFERED WITH PROGRAM

But not Until Many Events had Taken Place.

ONLY ONE SLIGHT ACCIDENT

Streets Were Crowded all Day and Night—List of Events and Prize Winners.

Another mile post in the life of the United States of America was passed yesterday and today marks the beginning of a new year in the age of the oldest young nation of the earth's family. Young in years but centuries older in progress and enlightenment than many of the nations of the world who were hoary headed grandfathers before the new world had cast aside its swaddling clothes.

The day was fittingly observed in this city, Englishmen, Canadians and other nationalities joining with the Americans in making the celebration the most successful Dawson has yet witnessed and the day one long to be remembered. Until 4 o'clock more perfect weather could not have been had, but the last two hours of the afternoon were sadly marred by a steady downpour of rain. The morning broke bright and sunny with the balmy breeze, serving to temper the heat as midday approached. At 3 o'clock clouds were seen gathering in the southeast and an hour later heaven's teardrops descended in such plentiful profusion that the sports were terminated during the pole vaulting contest and everyone sought shelter in doorways and beneath awnings.

During the day and even throughout the night before the city was thronged with people, many coming in from the creeks to enjoy the celebration and lay aside for the day their picks, pans and shovels. Young America was much in evidence and in the exuberance of his spirits did not fail to let it be known that the day of all others was his and his alone. The pleasant weather brought out hundreds of ladies, many gowned in the sheer fabrics so dear to the feminine heart in midsummer and the grandstand presented a veritable kaleidoscope of harmonious colors. The day was singularly free from accidents, none occurring save during one of the horse races when Chief Stewart's "Puzler" ridden by Bert Collyer bolted into the crowd. The vast crowd was orderly, too, and the absence of any street brawls or drunken disturbances is but another evidence of Dawson's rapid approach to and certain assimilation of the effete ways of the East.

A great deal of the success of the day was due to the untiring efforts of Chairman E. B. Condon and Secretary J. Newton Story, who for several days previous, laid aside their business affairs and gave their undivided attention to assuring such success.

A squad of police under charge of Sergeant Beys did effective work in keeping the crowd off the track and thus preventing any accidents.

In the horse races T. A. McGowan, H. G. Wilson and E. S. Orr acted as judges and E. A. Mizner officiated as starter. In the track events E. F. Botsford was referee and Joe Boyle starter. George Noble announced the result of each event when concluded. No records were broken, either national or local, as the track was very heavy and in no condition whatever for fast time.

On account of the length of the program arranged, no parade was given. The ball teams in their bright new uniforms headed by the Dawson military band formed on First avenue and Third street at 10:30 and marched to the barracks diamond where the great American game of baseball was indulged in between the Gandolfo and Zaccarelli teams. The score was 16 to 5 in favor of the former. A detailed account of the game is given elsewhere in this issue. It was the intention of the committee to have a game between the Dawson and Eagle City nines, but the failure of any boat to arrive from down river made such an undertaking impossible. The afternoon sports were begun at 1 o'clock. Herewith is given the list and also the winners:

SLOW BALL WAS PLAYED

Gandolfo Team Has Easy Walk Over Zaccarellias.

A large crowd gathered at the barracks grounds yesterday morning to see the ball game between the Gandolfo and Zaccarelli teams. Everyone thought, judging by the good game played last Saturday that the game would be a close one with good, careful playing by both sides. The expectations of the spectators were not realized as the game throughout was altogether too one-sided to be considered a good exhibition.

The Zaccarelli team went into the game fully confident of making a repetition of its victory of last Saturday, but met a Waterloo instead. The Gandolfo boys played a strong game holding their opponents down to 5 runs while scoring for themselves 16.

The Gandolfo got the field in the toss up and the Zaccarellias the bat. Russell was first to bat and struck to shortstop who got the ball to first, making the first out. Smith sent the ball on a fly to second base where it found a safe landing in the hands of Hill. McStay was struck out ending the inning for the Zaccarellias without a man getting to first.

Briggs for Gandolfo was first to the bat and sent a grounder to first which was stopped by McAuliffe, putting Briggs out. Long hit a grounder to Turner who muffed it giving Long his base safely. Doyle hit a grounder to shortstop, the ball bouncing over his head made it a two-bagger for Smith and brought Doyle to third. Chadwick got his base on balls, putting three men on bases. Hill hit to McAuliffe who made a very pretty stop putting out Hill. A wild throw by McAuliffe to catcher allowed the three men on bases to reach home. Morrison struck to Turner and reached first safely. Brown hit to pitcher who threw to first, putting Brown out and ending the inning.

McAuliffe in the second inning took the bat and hit a two-bagger to left field. Nelson followed with a two-bagger to centerfield bringing McAuliffe home. Turner struck out. Lahie made a safe base hit to right field and Nelson in trying to reach home from second was put out. Fee took the bat and struck out.

Traub for Gandolfo got his base on a dead ball. McFate got his base on balls. Nelson made a good double play by stopping the ball hit by Briggs and touching McFate who was running from first to second, then throwing the ball to first, putting out Briggs. Long struck out ending the inning.

Foss hit to Brown and reached first safely and stole second. Russell hit in front of home plate and was put out at first. Smith sent a fly to third

A Clever Decoration. The first prize for decoration was awarded to the Dawson Hardware Co. Their new store front was handsomely decorated in an original design with red white and blue hunting on top of which a silhouette model of a full rigged ship in white with irised sails was erected. The decoration was without exception the most clever piece of work ever put up in Dawson. It was constructed and designed by James Townsend of the Savoy theater.

At Savoy Tonight. The tug of war will be pulled off tonight. All those who held tickets yesterday for the show were given back their tickets as the contest ended in a draw between the two anchor men. The fastest in the event has not abated, however, as the different parsons of the two teams are putting up money on the result in big bunches. The house has been rearranged to accommodate a large crowd.

Horseshoes are of uncertain date and have caused some discussion among military historians. Nailed shoes were not known by the Greeks, for Xenophon gives minute instructions for hardening the hoof. Nor did the Romans use them. Nero had mules shod with a plate of silver fastened by crossed thongs to the hoof. With Poppea, his later wife, it is said these plates were of gold. The earliest positive evidence of nailed shoes is furnished by the skeleton of a horse found in the tomb of Childeric I (458-51) at Tournay in 1653.
