NORTH ALTON.

Well here we are again. We see the farmers are very busy farming especially Mr Maynard Webster. He has lately purchased a new farm wagon, in which he has been busy taking some fine sheep to town.

Quite a number of people from this place had a very pleasant drive to Halls Harbour last Friday.

Mrs. David Nietorth's daughters from Western Canada and Massachusetts are spending a few weeks at their home here.

Mrs. Barrett and her sister Miss Hilda Ward of Truro are spending a few weeks at the former's parents, Mr. and Mrs. Frederick Ward.

Mr. and Mrs. William Schofield had a very pleasant drive last Wednesday with their fine new harness and rubber tire buggy.

Mr. and Mrs. Nathan Schofield received a letter from their daughter, Mrs. Mary Duncanson, of the West, stating the death of her husband.

Mr. Duncanson was a native of Gasperaux and the son of the late Mr. Jehial Duncanson.

Mrs. Leander Schofield has our deepest sympathy in the loss of her husband and life companion. Although he had been ill many months he bore his sufferings with a Christian's patience. He is gone but not forgotten.

The stork paid a visit to the home of Mr. Foster Smith and brightened their home with a fine baby girl.

Mrs. William Ward is having very poor health lately.

Mr. Robert Grinn of New Jersey spent Monday at the home of Samuel English.

There are rumors of several weddings in our vicinity, the cars are awful busy.

Mrs. William H. Starr who now resides at Bridgetown returned a week ago from Halifax where she was under medical treatment and is much improved in health.

Lawrence Sparks Hanged on Friday

Halifax, July 27.—At four minutes before five o'clock this morning Lawrence Sparks paid the penalty for the murder of Charles Dixon at Africville on the morning of March 12th. Hangman Arthur Ellis left the city on the first train following the execution. He remarked that this was the three hundred and twenty-four time he had carried the death penalty into effect.

Not more than fourteen persons witnessed the hanging. It was one of the most private hangings ever held in Halifax, and the arrangements were carried out splendidly. Four seconds after the condemned man stepped on the trap it was sprung by Arthur Ellis. The trap was sprung just before the minister concluded the Lord's Prayer, which was repeated after him in subdued tones by Sparks. Dr. Forrest was present and pronounced Sparks dead. Death was instantaneous.
