about 16 inches long. If he had gone longer than his cousin it would have been impossible to find its mate in the Eau. Alfred Glenn was satisfied to corroborate. Dan Fisher, the baggageman, listened to all these marvellous tales in open-eyed wonder, but it is hard to beat Danny. "Just reminds me," said he, "I was over at the creek fishing one day and I got a bite or rather that was once in my life that I had a pull. I really thought that Charlie Pink had hatched his engine on the end and was making a run against time. That reel spun out so fast that it just looked like a piece of hazy metal until it got red hot. Then it was a wavy mass of fire. I had to put my head in the water and cool it off before I could wind it up. Say that was a great fish. I played it for just an even six hours and at last when I pulled it out, the water in the creek went down just six inches. I measured the water mark before I started fishing and it was just six inches higher than it was when I finished. I showed the water had dropped just an even six inches. My that was a beauty. It weighed 55 pounds gross. I see, however, that another fellow caught as large a maskilonge the other day up in Eastern Ontario. His weight 56 pounds. Of course, he had an advantage over me because he caught his trolling and then shot it with a bullet from a pistol and so had no trouble in landing it, but I'll bet had he got that fish on a rod and line he would have lost it. It's everybody who can land a 55 pound maskilonge with a rod and line.

LACROSSE

TECUMSEHS AGAIN ON TOP.

And once again the Tecumsehs win from Wallaceburg, taking four games they have won from the Burg this season.

The game yesterday on Peninsular Park was an easy victory for Chatham. Although it was quite evident from the start that Chatham would win, the Wallaceburg team were worthy opponents and they made some very pretty plays but were ineffective on goal. There was a good crowd out to see the game.

The final score was 3-2 for Chatham. Dr. Campbell, of Wallaceburg, was the referee, and he was very impartial in his decisions. The Tecumsehs scored first in the first quarter and Wallaceburg scored second. The Tecumsehs scored two more when Wallaceburg got another and then the Tecumsehs scored two more before the time was up.

The Wallaceburg men are a lot of gentlemanly players and they play good lacrosse. The game yesterday was free from any roughness whatever and a good fast game at times to watch.

The work of the Chatham home was marvellous. They go like lightning and are always making towards their opponents goal. They ran all around the Wallaceburg defense, but Tierney, the Wallaceburg goal tender, stopped many a good shot. Huntington and Mooney played well in the defense field, but they were up against a hard St. Thomas team. Huntington and Taylor did considerable good work on defense. The home, however, was weak and the players could not seem to get near the nets.

Robinson in goal for Chatham put up his usual good game, while Francis, Peckering and Elliott are always expected to play well, and they always do. Quessel makes a good centre, Grace, MacFarlane, Stewart and Carter were the home field and their combination was very fine and hard to follow.

The boys are getting in good shape for their St. Thomas game. The game yesterday was a good work-out and gives the Chatham team a chance to practice and play together. The following was the line-up, ten men to a side:

WALLACEBURG.

Goal—Tierney.
Point—Huntington.
Cover point—Mooney.
1st defense—Bonsley, Boulton.
2nd defense—Boulton.
Centre—Taylor.
2nd home—Perkins.
1st home—Campbell.
Outside home—O'Leary.
Inside home—Kinkwood.
Field captain—Labatt.

CHATHAM.

Goal—Robinson.
Point—Francis.
Cover Point—Peckering.
1st defense—Elliott.
2nd defense—Angus.
Centre—Quessel.
2nd home—Grace.
1st home—MacFarlane.
Outside home—Stewart.
Inside home—Carter.
Field captain—Babcock.

The Chatham Tecumsehs go to St. Thomas to-morrow to play the last game in the double schedule with the team of that place. Chatham has now won three games from St. Thomas and four from Wallaceburg, so that they are declared the winners of the intermediate series in this district, even should they lose the game to-morrow. However, the Tecumsehs have a reputation to sustain and they intend to win to-morrow. They have not been defeated this year and they intend to run through the season with the same record.

St. Thomas is billed to play here against the Tecumsehs on August 8, Chatham's civic holiday, when a good game may be expected.

MISSIONARY BAND

The Victoria College Volunteer Missionary Band are meeting with great success in the Park street Methodist church. They had an excellent crowd at their service last evening and the meeting was a very interesting and profitable one.

Mr. Langford had charge of the meeting and Mr. Elliott spoke first on "Service." He said that everyone was a servant of somebody or something. Mr. Gifford made application of the talk along the missionary line. Miss Pearl White sang a solo.

At the conclusion of the meeting the Band held a conference with the Young People's Society executive in regard to missionary work.

The last quarter was an even battle, both sides securing one goal. The game was a good one, clean and fast, and although the visitors were the better players, the local boys were in the game all the time and showed themselves coming players.

A very sad death occurred yesterday morning, when Rev. Thos. Harrison, the newly appointed pastor of the Methodist church, was stricken with apoplexy and died before noon. Mr. Harrison came to Dresden just one month ago, and has been unable to occupy his pulpit since coming. Few, however, realized how serious his case was, so that his sudden and untimely death comes as a shock to the entire community. Rev. Mr. Harrison was 44 years of age on July 4th, having been married about 16 years. His wife was formerly a Miss Martindale, of Alliston, Ont. Besides his sorrowing wife, he leaves two children, Earl, aged 14 years, and Gratton, aged 7. Four brothers and three sisters also survive him. The funeral service will be held at the parsonage here promptly at 9 a. m., after which the body will be taken on the 9.40 train via Sarnia, to Alliston, where interment will take place. Rev. Dr. Hobbs, president of the London conference, will conduct the funeral service.

Mr. Allan Fretz left to-day for Red Deer, Alberta, near which place he has been given an appointment to circuit by the Methodist Board of Missions. Mr. Fretz is a most estimable young man and is deserving of the greatest success in the noble work he has taken up. He has the earnest wishes of a host of Dresden friends for his welfare in his new post.
