His Wife.

hair; eyes, and bear him speak—
He never knows that I am there!
th! if my darling would but only know
That day and arght, through all his

weary life,

I, whom he loved in the years long ago,

Am with him still—his wife!

I read it in his eyes.

And when his pencil's skill

And then he droops, and throws his stead.

Ah, but it cannot be ! here; But he, my living love, he cannot see His dead wife, though she cling to him

He thinks he is alone.

This is the bitterness of death;
To know he loves me, pines and yearns

To bid him feel my faintest touch,
That she who never left his side

-Justin McCarthy.

The Bridge of Death. AN ALPINE GUIDE'S SAD FATE-DAN-

One day in August, in the summer of ing the Grand Plateau in their descent particular use now, and try and make of one of the loftiest mountains in Switzerland. They had crossed the Grand Crevasse in the morning by a snowbridge which, though apparently insecure, carried them safely over. They reached it again on their return late in when to the consternation of his fellow travellers, he suddenly disappeared from

most reliable time-piece.

continues a day or two and he remarks to his wife that he is so overworked he thinks he had better take something to and for a few days feels better. He flat-ters himself he is well. Poor man, how brace him up a little. He tries a tonic little he realizes that the trifling indisposition was a voice warning him that the sition was a voice warning him that the ing Sheridan's Powder to my seventeen tired and overworked kidneys, the most lens. In December they laid 224 eggs; asks; "Are the lower animals approachimportant primary organs of the system, lad ceased to perform their proper functions. They no longer eliminate properly the waste matter of the system, and not use Sheridan's Powder) did not get out times the hens I have, (and who did not use Sheridan's Powder) did not get out times the hens I have, (and who did not use Sheridan's Powder) did not get out times the hens I have, (and who did not use Sheridan's Powder) did not get out times the hens I have, (and who did not get out times the hens I have, (an

That means disease. The body cannot be healthy unless it be free from this poison. If the blood channels become vitiated with it, as they must be unless it is carried out of the system, the man is liable to disappear, from the wells, of the system of the system of the system of the system. If you cannot get it of your nearest druggist or general storekeeper. liable to disappear from the walks of life almost as suddenly as the guide who went down with the insecure but unsus-

How to Get More Eggs.

It is a fact but little known to people

Fxcess of fat, exposure to wet and cold, poor condition, shedding feathers,

How few of us realize the importance of trifles, or that incidents which in themselves seem wholly insignificant lead oftentimes to most momentous results. As single grain of sand holds in a vise-like grip the delicate mechanism of your most reliable time-piece.

Between thirty and thirty five men are employed in the Sheet Harbor pulp mill, which establishment is at present doing a rushing business. Nearly \$1300 is circulated monthly by the firm—between the country ranges from three to eight dozen each. Now this is by far too small. There is no earthly most reliable time-piece. The business man tied down to his absorbing cares, goes home at night with a throbbing brow and a lame back. This

How to get eggs in cold weather in Conn., writes under date of March 8,

prepaid, as follows: For fifty diseases, so called, are the direct results of the action of this poison that it is difficult to tell how one will be carried off.
