ART FINNAMORE CAPE BRETON LEAGUE BATTING LEADER

Captain of the Champion Glace Bay Club Had Successful Season With Willow.

To Art Finnamore goes the credit of being the real batting leader of the Cape Breton Baseball League during the past season.

The Fredericton boy played in 26 games for the champion Glace Bay Club and had thirty-seven hits for a total of fifty-one bases, his batting average being .393—some hitting!

Joe Neptune, the Indian infielder, who finished the season with the Glace Bay club, was the nominal leader, hitting for .425, but participating in only 11 games. Bobby Fredette, another member of the Glace Bay club, who was once owned by the Fredericton team, led the league in extra base clouts, making 34 hits for a total of 60 bases and hitting for .312.

Art Finnamore was the captain of the Glace Bay club, dug up their players and to him much of the credit for the team's successful fight for the championship naturally goes. Besides having the best batting average he was also second in long distance hitting to Fredette. The official averages:—

The future Mrs. Tesreau assured the reporter that, while it was necessary for "Big Jeff" to give his real name of Charles Monroe Tesreau at the marriage license bureau, he really did not want anyone to call him that. "Even to me he is 'Jeff,'" she explained, "and I know he will not want anyone to call him anything else."

TESREAU WEDDING FULL OF ROMANCE

Bride is Proud of "Best Ball Player in World," She Says in Interview.

New York, Oct. 19.—"Big Jeff" Tesreau, the Giants' great slabman, was married this week to Miss Helena Elizabeth Blake of 360 West One Hundred and Nineteenth street. The ceremony was performed at the Church of St. Thomas the Apostle. Eugene J. Higgins was best man and Miss Josephine Frances Blake, a sister of the bride, was bridesmaid. All the Giants attended.

According to the bride, that big game in the world's championship series which "Jeff" lost at the Polo Grounds had a whole lot to do with the present situation. That is what she said in an interview.

"When 'Jeff' lost his big game in the world's championship series, I was so mad I just walked right out of that old Polo Grounds before the seventh inning was played. I just couldn't stay; really, I thought I should never speak to 'Jeff' again; but when he came around Sunday afternoon and I realized how heartbroken he was over his defeat, I just had to forgive him.

"Just when I was trying to be nice to him and help him, he proposed, and declared that I would have to prove my forgiveness by marrying him. I knew that would be the only way to really help him, so I consented.

"Of course, that was not my only reason for consenting. I loved 'Jeff' all the time, but I didn't know it. Then he insisted that we be married at once. My word, I did not even have time to resign from my position. I had to get busy and buy some cloths and things, and I have not even tele-

College Football to be The Holiday Attraction

U. N. B. and Dalhousie Meet in Thanksgiving Day Feature Here

KINGS IS EASY FOR MOUNT A

Fredericton and St. John High Schools Playing Here Today.

The U. N. B. football squad had another fast workout at College Field yesterday afternoon, in preparation for their game with Dalhousie on the holiday on Monday.

The scrim had a practice before they indulged in the regular game and the results from this were very encouraging when they did get into action.

The rumored changes have taken place in the forward division, and it is quite possible that Gus Khuring will replace Cass in the game with Dalhousie. "Lefty" McFadgen will be the third quarter instead of Dougherty, and he will be the man the Red and Black will rely upon to fill the big gap made in the quarter division by the desertion of Mike Kitchen. McFadgen has been practising with the team for the past two weeks and is in pretty fair shape just now.

Edgecombe will be one of the spare backs for the game with "Dal," while Burden will be the other spare back player. It would not be surprising to see Griffiths and Townsend, two players whose work has attracted the attention of Coach Campbell during the last few workouts, get a chance in the Dalhousie game, too. Both are forward players and have been going good in the practices of late. The probable team to line up against Dalhousie when referee Johnny Dolan blows his whistle on Monday, is as follows:—

Fullback, Otty; halves, Murphy, McGibbon, Maiman, Balkam; quarters, Melrose, Bender, McFadgen; forwards, Jewett, McLeod, Barker, Murray, Laughlin, McLean and Khuring.

The team will be picked this afternoon after the practice at College Field, but the one picked is not expected to show much of a change from the team as named above.

HIGH SCHOOL GAMES.

St. John Plays Here Today—Yellow and Black Team's Trip Next Week.

The Fredericton High School and St. John High School football teams will meet this afternoon at College Field in the first Interscholastic Football game to be played here this season. These teams are old rivals and a good game is assured.

The St. John team arrived here this morning with a large band of rooters and are determined to settle old scores with the local school for the defeats of last year. The game is called for 4 o'clock.

The Fredericton High School will probably make their annual trip to Rothesay and St. John next week, playing the former on Friday next and the latter on Saturday.

The team will line up today as follows:—

Fredericton.	St. John.
Fullback.	
Belton	McAndrews
Halves.	
Carter	(Capt.) Donnelly
Young	Anglin
Johnston	Bennett
Donovan	Mooney
Quarters.	
Bridges (Capt.)	Scovil
Myshrall	McIntosh
Betts	Wills
Forwards.	
Kilburn	Dey
Boyd	Allen

Squires	Campbell
Keene	Kirk
Jarvis	Gorman

BIG SCORE BY MOUNT A.

King's College Beaten by 21 to 0—Will Play Dalhousie Next Tuesday.

Sackville, N. B., Oct. 17.—In one of the cleanest football games seen on Mount Allison campus, King's College went down to defeat today at the hands of Mount Allison team, which is to compete for the King-Richardson trophy this year.

In the first half Mount Allison had the play all their own way, scoring nine points. In the second half, the play was faster, as the King's boys were out to do their best to even up matters, but were unsuccessful, and Mount Allison emerged the victors, adding twelve more points to their count, making the score 21 to 0 in favor of the Mount Allison boys. The following is the line-up:—

Mount Allison—Forwards, H. B. Wilkinson, Pickup, Pool, Freestone, McDonald, Durant, Carter; quarters, Appleton, Malcolm, Mersereau; halves, Godfred, Appleby, Eaton, Sears; fullback, Hutchings.

King's—Forwards, Byron, Wilkinson, Mason, Jones, Warburton, Jones, Campbell; quarters, Bell Halbert, Harley; halves, Hulbart, Hurney, Duprey, Teed; fullback, Murray.

Mike Donlin May Succeed McCormick in Giants Line up

"MIKE" DONLIN

Former New York Player, Married This Week in Chicago, to Join McGraw's Team for Around-the-World Tour—May Be Pinch Hitter in 1914.

New York, Oct. 18.—Our old friend Mike Donlin is going to tour the world with the Giants and White Sox. It will be a honeymoon trip for Mike, as he is in Chicago this week signing another contract in the Matrimonial League. A quiet tip in circulation here is that Donlin will appear next season in the role that Harry McCormick has recently resigned to become manager of the Chattanooga team. Mike will be the pinch hitter of the Giants.

It is understood that Donlin was offered the management of the Jersey City team, but declined. His reason for this was his contemplation of a long season in vaudeville, which would be more profitable to him than baseball. But Mike loves the old game and it is believed that another major league engagement will wean him away from vaudeville.

From Chicago comes the story that Donlin is to join the globe-trotting party. Deponent saith not whether Mike is to pose as a member of the White Sox or the Giants, but if he goes he probably will wear the McGraw colors. If his release from Jersey City can be purchased at a reasonable figure he will rejoin the team with which he once starred.

McGraw, after viewing his outfield in the world's series, probably came to the conclusion that a wise old bird like Donlin could be a sort of a coach to young Mike as a fielder, and there isn't enough of the old fighting spirit of 1905 in the Giants today.

For a time after Donlin got back into the game last season his batting eye was dim. But in his last 31 games with the Jersey City team the old war horse hit nearly .400. The Jersey City club is controlled by the New York American League club, but it is understood that Frank Chance has turned down Donlin for membership in the Yankee team. This fact may also make it difficult for the other New York club to obtain Mike's release from Jersey City.

Dalhousie College will play Mount Allison on the college campus Tuesday afternoon.

SORE AT U. N. B.

St. John Athletic Club Fifteen Expected to Play Here Today.

(St. John Telegraph.)

Arrangements had been completed by the members of the St. John Athletic Club to send a team to Fredericton today to play a return match with the U. N. B. fifteen, but Captain Anglin received word yesterday that the U. N. B. boys would be unable to meet them today, having arranged a game with Dalhousie College for the holiday and were unable to pay a guarantee to both teams. The local boys feel rather sore over this treatment by the University club, as only last Saturday they paid a guarantee of $40 to the U. N. B. team and thought that it would be only fair for them to get first choice in the recovery of that guarantee.

About the Boxers.

"Darkey" Haley, the English boxer, who was trimmed by Al Delmont in this country some years ago, was knocked out in two rounds by Joe Hyland of New York in Paris the other night.

Jack Britton and Kid Graves have booked to meet in Brooklyn Oct. 27.

Tommy Bresnahan and Johnny Griffiths will appear in the main bout at Youngstown, O., next Monday night.

ROUGH RIDING IN THE 2.05 CLASS AT LEXINGTON RACES

Collisions in Two Heats of Pacing Event Won by Flower Direct.

Lexington, Ky., Oct. 17.—The racing yesterday was not nearly as interesting as the summary would lead one to think. Four topheavy favorites won—Frank Bogash, Jr., Flower Direct, Bright Axworthy and Jim Todd.

The only contest was the 2.05 pace, in which Walter Cochato landed a heat from Flower Direct in a very close finish. Loafing down to the half and then sprinting some did not add anything to the sport, as miles in 2.09¼ by pacers of free-for-all speed are not pleasing, even if the clip at the finish is very fast.

After Cochato surprised every one by beating the little Tennessee mare, Legg took him to the half in 1.06¼, and was outraced home in 60 seconds.

Cochato and Longworth B. got into a mixup in the third mile going away, both breaking badly, and the Direct Midget had only to go in 2.09¼ to stall off Jones Gentry. Longworth B. finished an eigth of a mile back, but was placed, the judges could se only the cident was unavoidable.

The next trip Longworth B. an Jones Gentry came together, but this time the officials could see nlyo the driver of Gentry at fault, and distanced him.
