TIGERS TRIMMED THE YANKEES.

Opening of the League Season Here Yesterday.

Hamiltons Won Out in the Ninth, The Score Being 4 to 3—Scores in the Major Leagues—Record of the King's Plate—Beattie Top Man in Olympic Shooting Trials.

Yesterday afternoon at Britannia Park the local opening of the International Baseball League took place. About a thousand fans were present to see the Tigers perform in their new uniforms, and they saw just the kind of a game that they like. They saw clever head work on the part of the home players, who pulled themselves out of a deep hole and galloped into the lead at the wire, and won pulled up. Although the visitors made three runs in the first inning, the Hams won the game by a score of 4 to 3.

Mayor Stewart officiated at the opening of the season. The opposing teams were lined up in front of the grand stand, and his Worship stood between them while addressing the gathering. He said he considered the league team would be a good advertisement for Hamilton, and he hoped the public would support it liberally. He trusted that the players would try to win their games fairly, and maintain the reputation that Hamilton athletes have for fairness on the field. He then tossed out a new sphere, and said "Play ball."

As the Tigers took their places in the field they were loudly applauded. They looked well in their new suits, white with maroon trimmings. The Yankees went to bat first, and the fans were soon up in the air. Joy cracked the pellet past short, and reached the first station before the ball. Kelly advanced him to second, making a nice sacrifice. Armstrong, the next batter, reached first on an error of Connors, and Joy scored. Armstrong was put out trying to steal second. Doremus, the young giant twirler, binged, and McCabe followed with another safe hit and stole second. First was given a base on balls at the awful moment. Then came Shortstop Corcoran, who banged the ball to the outfield, and Doremus and McCabe finished their journey round the bases, making the tally three.

Tiers was given free transportation, but Wagner, the next batter, fanned, and the agony was over for a spell. All this happened while Bill Gleason was in the box for the Tigers. It was evident that he was suffering with a bad arm.

The Hams then took a turn with the willow. Brennan fled out to right and Connors gave the fans a moment's pleasure by making a nice hit. McMillen fled to left, and Bradford went out on a foul.

Gleason, to the surprise of many, was again put in the box. Joy went out at first on a dribble to short. Kelly made

a hit, and so did Armstrong, and things began to look blue again. Doremus made a short hit, Armstrong went out on the hit. Doremus got his base on a fielder's choice and a second later Kelly was extinguished at the plate. Gleason then retired to the bench, there being six hits charged against him in the two innings.

Muir was sent in to do the twirling, and he certainly did his work well. During the remainder of the game the visitors made only three scattered hits off him, and they scored no more. Only one of them, Tiers, reached the red light bag.

In the fourth inning the Hams scored two. McMillan, who was given a charity, made the circuit and so did DeRohn, who made a hit.

The game was won in the ninth, when Maxey made his first hit of the day. De Rohn followed with a hit and Long was sent to bat for Muir. Long hit the first ball pitched for a neat sacrifice. Brennan cracked the ball to centre field, and Armstrong dropped it. Maxey came home, winning the game. The fans cheered loudly when the winning run was scored. Following is the score of the game:

MONDAY'S GAMES.

The Niagara Falls team will close their present engagement here this afternoon, and Manager Paige hopes for another victory. Nels Long, who did such good work against the Yankees on Wednesday, will pitch for Hamilton. On Monday there will be two games, morning and afternoon, the opposing teams being the Maple Leafs, of Guelph. In the afternoon, before the game, there will be baseball sports. Prizes will be given for pitching, base running, "Fungo" batting. There will be a tug-of-war between the two teams.

AFTER NEW PLAYERS.

Manager Paige is after two or three new players—a pitcher, catcher and a hard-hitting outfielder. Fenneke was released last night, but on account of Muir's good showing he will likely be retained.

D. A. Lawton, a catcher, of New Orleans, has been offered a contract by Mr. Paige.

OPENING AT LONDON.

London, May 23.—Everything was auspicious at the opening of the International Baseball League series in this good old ball town yesterday afternoon. The Beavers won their game, shutting Guelph out 5 to 0. The parade was a grand success. There was a mighty crowd on hand in the stands. His worship the mayor opened celebrations with a speech that proved that he was a true lover of the national game and heaved the new white ball over the plate in workmanlike style, although he had to throw three balls to his other worship, Police Magistrate Frank Love, before that sport-loving dispenser of justice got his eye on the ball and hit it to Mayor Stevely, who retired him at first. The second game of baseball, with a "soft" ball, in the series being played between the G. T. R. and T. H. & B. local freight offices resulted in another win for the T. H. & B. team. The score by innings:

	G	T	R	T	H	&	B
G. T. R.	2	1	0	0	1	0	1
T. H. & B.	0	0	4	0	2	4	2

Batteries—Carroll and Hottrum; Ser- vos and H. M. Pottery.

The T. H. & B. team is open for games with any team playing the indoor game. Address Walnut street freight office.

EASTERN LEAGUE SCORES.

At Toronto—There is no use, George Stallings, you can't stop the Leafs, and although Big Chief's hired help made the locals go beyond the allotted period yesterday, a win eventually resulted, thanks to Brown's timely wallops and Stange's bad throw to third, that sent Frick in with the winning run after Wiedensaul had been declared out. Today the fans are satisfied, for the Leafs are on the top of the heap. The game, while being a pitchers' battle between McInley and Hughes, who was sent in to retrieve his honor lost on Wednesday, was by far the best exhibition seen here this season, both twirlers being in rare form. They had the same number of strikeouts to their credit—six in all, and while McInley issued two charities, yet his twirling was the more masterly of the two, he being invincible in tight places. Score:

Newark	0 7 2
Toronto	1 8 0
