SOVIET ESPIONAGE SYSTEM DISCLOSED

Death Penalty for Agents Who Fail

PARIS, July 10—Light on the extent of the ramifications of Soviet organizations throughout Europe and the audacity with which their agents carry on their work has been discovered by the Paris police, who have found traces of the spy bureau of a secret council which, according to Russian nihilist traditions, condemns to death and executes any of its members who disobey the instructions received.

Ex-Premier Kerensky, who still plays an active part in Russian politics among the exiled Russian colony here, recently discovered that one of his secretaries, an officer in the Russian army, had been abstracting a number of important documents. Suspecting from the nature of the stolen documents that the theft could only have been prompted by a desire to serve Bolshevik interests, Kerensky, after a stormy interview, dismissed his secretary, at the same time reporting him to the French police.

The police at once made a search of the ex-officer's lodging, and of the latter's room of a young

Russian girl student at the Sorbonne, who was his friend and associate. It was here that evidence was discovered of the recent execution of two Bolshevik spies, who failed to carry out instructions from the Central Council.

The victims, who were condemned to die at a secret court martial were requested to visit a Soviet agent. Received with effusive hospitality, they were invited to take tea from a steaming samovar. Various matters were discussed, the men again being charged with a mission, this time imaginary. Returning home both died the same evening, the tea having contained a deadly slow poison.

When the bodies were discovered by the landlord a letter was found announcing their intention to commit suicide, which was a clever forgery, but at the time was accepted by the police as bona fide. The affair would therefore, have been quickly forgotten had not the facts come to light today.

Russian circles here are greatly perturbed, especially in view of the fact that the officer implicated in the theft of Kerensky's documents is the son of a well known Russian general. The police have arrested him. It is known that the keenest Paris detectives are now hot on the track of the members of the secret Soviet council here and arrests are possible within the next few days.

"MAN TO MAN" TO BE SHOWN HERE

"Man To Man" is the promising title of the Universal-Jewel attraction coming to the Empress Theatre next Monday.

It is a starring vehicle for Harry Carey, filmed with elaborate attention to the thrill qualities a Western story should provide.

A cattle stampede of five thousand head ought to furnish a kick for the jaded spectator The Agoure ranch, a cattle grazing kingdom of great acreage near Universal City, California, was the scene of the stampede. The fenceless areas around Benon, Arizona, furnished a location for other thrilling scenes.

Opposite Harry Carey, Lillian Rich, is given an opportunity to show whether or not British musical comedy stars make good heroines for photodramas. She has only been in pictures two years, but her beauty and sweetness of personality have already won her the highest esteem.

Harold Goodwin, formerly a Fox star, Charles LeMoine, Willis Roberts, May Biracl and Alfred Allen are the principal supporting parts. If the direction could be placed in better hands than Stuart Paton's, it is difficult to say whose they would be. For Paton is the director of "Conflict," the Universal-Jewel success starring Priscilla Dean, which has had quite a vogue in the leading theatres of the country.

Jackson Gregory's widely read novel, "Man To Man," gave the plot to the new Carey picture.

The bridegroom was attended by William Brown, a cousin. A buffet lunch was served after the ceremony when a handsome bride's cake was a feature of interest.

The gift to the bride from her husband was a diamond pendant. She gave him a pair of diamond set cufflinks. The bridesmaid received a gold fountain pen and the best man was the recipient of a pair of gold cuff links.

The house was very prettily decorated with ferns and flowers. Many handsome gifts were received by the young couple, including china, silver cut glass, linen, aluminum and electric articles.

Mr. Gilmour and his bride left by auto for a two weeks visit to the bride's home.

SOME BALL GAME LAST FRIDAY

Mr. Clay Adams of New York City, Who Donated a Beautiful Silver Trophy for This Year's Winner of the League Race was Present, and Took a Deep Interest in the Game.

Last Tuesday evening the local Baseball Team entertained Loggville here to one of the best exhibitions of baseball seen on the Miramichi for years. A large attendance of fans was present who thoroughly enjoyed every minute of the game. Ryder for the locals pitched a star game and had the Loggville players under his control throughout the whole game. He received excellent support from both in and out field Melrose clouted the pill for a merry go-round and each local player used the stick in this game to good advantage. The Loggville boys put up a good game but were not able to hold the locals. The score was 6-3 in favor of Newcastle. Greene umpired in his usual satisfactory manner.

Tuesday at Nelson

Douglastown was defeated by Nelson at the latter place on Tuesday evening by the score of 4-1. Keen interest was taken in the game and a large number were present to witness it.

Friday at Newcastle

The keenest game of the season was played at Newcastle last Friday evening when Chatham blanked Newcastle winning by four runs. Over 1000 fans from both towns were in attendance and the Newcastle Band was also present.

Mr. Clay Adams of New York City who so kindly donated a Silver Cup for the winning team of this year's league race was present at the game and received a hearty welcome from players and fans. Mr. J. R. Lawlor, President of the Miramichi Baseball League introduced Mr. Adams to the players of both teams and Mr. Adams, who is a real fan enjoyed meeting the boys and spoke encouragingly to them all.

The interest in this game was so intense that the game at Loggville with Douglastown was postponed so that the players might attend the match. Briggs twirled for Chatham and put up a good game, receiving good support from the field. The Chatham ranks were strengthened by the addition of Wallie Watling, who up to this game had not been seen in any of the league games. At the bat the Chatham players proved stronger than the locals and because of this, were materially assisted in winning the game. Chatham wanted this game in the worst way possible and left no stone unturned in order to win it. The locals were seriously handicapped by the loss of Zinck who was injured some few days ago and was unable to take his position at first base. Ryder performed for the locals and pitched an excellent game. He had eleven strikeouts to his credit and in one inning retired 3 men with the delivery of 10 balls.

The interest in the league games is becoming acute and when these two teams again meet, which will be the last time they will do so in this year's series, it may be expected that something out of the usual in baseball playing will be put up by the members of both teams.

Chatham and Newcastle teams are leading in the standing; are very evenly matched and no doubt the possession of the handsome Adam's Trophy for this year's series will rest entirely in the game which will be played between these teams in Chatham on Friday evening 21st. inst.
