## SWEET ON WELLAND TEAM

### STAR SPORT WRITER THINKS BABY CITY HOCKEY TEAM REAL CONTENDERS

The Toronto Star has the following to say: Varsity seniors, minus only Westvan, their big defence man, bumped into a hockey cyclone at Welland on Saturday night, and when the dizzy doings were called at an end the college lads were on the short end of a 12-to-10 score.  
 Manager Frank Carpenter and Coach Frank Carroll of the "Learned Youths" have no excuses to make though the fact that Bill Carson, their star centre man, was late in arriving and did not get into the game until after half time.  
 "Strengthened a trifle, that team will clean up the intermediate series in a walk and they'll give the senior winners a merry old battle for the honor of defending the Allan Cup," remarked Carroll. "They have fair speed, lots of weigh, and plenty of experience."

Toronto people who saw the game wonder how in under the sun Dr. Robertson's Stratford Juniors, good and all as they are conceded to be, handed Welland a lacing right in Welland Thursday night.

**A Fast Team.**  
 Welland has a cracking good team, Strohm, a new man in goal, making his first appearance in three years, put up a remarkable game, for the college lads were shouting hard after him all evening. The outstanding stars, however, were Herbert, who alternated on defence and right wing and Foulis as centre, a tricky youth and is as quick as a flash on re-bounds. Herbert uncorked a shot that made Langtry, the college goal tender, think he was back in France dodging shrapnel. When he got in the way of one of Herbert's shots the thud could be heard the length of the rink, and when the shot missed and hit the end of the rink a hurry-up call for the carpenter was in order. Schlegel, the old Preston and Argonaut centre, alternated with Herbert and Dickie on the defence, and scored the nicest goal of the evening, beating the Varsity team unaided. Dickie's defensive work was good, but he fails to come back quickly enough after a rush. Burminster, the ex-goalkeeper, tried to do a come back at left wing and was going along nicely until he damaged his skate, and after that he gave an exhibition of ice acrobatics that was worth the price of admission alone. Sanderson, a veteran, occupied the other wing, and he put in some good rushes.

 A record for egg laying was set by a dozen hens at the Salem, Ore., Agricultural Farm. One hen laid 330 eggs in a year, and the average for all twelve was over 300.

## RUTH AND HORNSBY ATTRACT BIG OFFERS

The Former Asks Double Last Year's Salary From Boston—Baseball Gossip.

Babe Ruth and Roger Hornsby are in the baseball spotlight today in the Hot Stove League. Paul Shannon, a Boston baseball writer, says Ruth is to go to New York next year, but Harry France says that he refused \$100,000 each for his superlative last summer and that the Yankees could not get him at any price. The trouble at Boston is that, though he is under contract for two more years, Ruth, it is said, has issued an ultimatum to the club asking double his 1919 salary. As to Hornsby, President Branch Rickey says that the St. Louis National League club has refused an offer of \$70,000 and four players for his services. Mr. Rickey added that the offer was refused and that Hornsby is not for sale. President Rickey would not divulge the name of the club that made the offer.

Charley Mullen, former White Sox, has been succeeded by Clyde Wares, once with the Toronto club, as manager of the Seattle club of the Coast League. Wares used to play with the Browns and was a Western League manager in the days when "Tip" O'Neil was president of that circuit.

"Knotty" Lee does not like the idea of an all Canadian League. He claims that the expenses of the trips to Montreal and Ottawa would eat up all the profits, and that there would not be as many holidays or Sunday games as in the Michigan Ontario circuit.

Harry Sallee, one time Giant, has signed a contract to pitch for the world's champion Reds again next season. "Slim," as he is best known, stood second in the National League in the matter of games won, with 21 victories and only seven defeats; Walter Ruether, another Red, being the only one to head him. Although Pat Moran will stand pat on his team for 1920—he has signed two utility infielders for the Reds—Ollie O'Mara one time Dodger, and Goldie Rapp, a Cincinnati youth, who played with Beaumont in the Texas League last season.

Lefty Tyler of the Cubs has had all his teeth extracted in the hope that the operation will cure an ailment which doctors have diagnosed as both rheumatism and neuritis. Lefty is out a full set of teeth. The doctor may also be out a few if Tyler's arm shows no improvement next spring.  
 Eddie Collins was the season's best base runner with pilfers amounting to 38. Next were Sisler 28, Rice 26, Judge and Hooper 23, Weaver and Bratt 22 each.

## WEAK, NERVOUS CHILDREN QUICKLY GAIN STRENGTH UNDER FOLLOWING PLAN

Nervousness, just like weakness, is a family predisposition. We inherit tendencies to disease just as we inherit physical resemblances. The strain of study, social duties, work at home—these all tend to make nervous troubles among children. No wonder that St. Vitus' Dance, Epilepsy, and constant headaches have become alarmingly common. Pale, nervous, listless young people are met everywhere.

It is nothing short of criminal for parents to neglect signs of weakness in their children. By ignoring the slightest symptom of nervous or mental strain, you may condemn your child to life-long invalidism. If any member of your family complain of headaches, fear of going into dark places, give them that wonderful tonic, "Ferrozone." Strength of body and mind, hardy nerves, ability to study with comfort, all the attributes of health quickly follow the use of Ferrozone. It establishes strength color, endurance, vim—does this by filling the whole system with nourishment and tissue-forming materials.

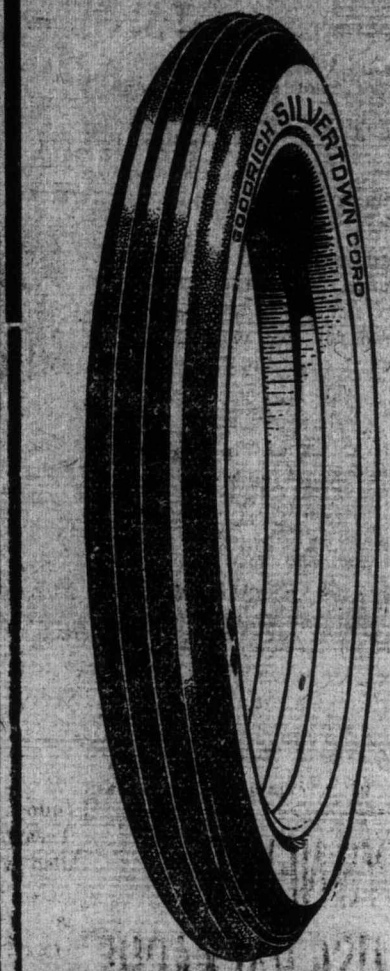

It's because we know the enormous good that Ferrozone will do, because we are sure every child and even grown folks, will be permanently benefited, that we urge you to give it a trial. All dealers sell Ferrozone in 50c boxes, six for \$2.50, or direct by mail from the Cataractzone Co., Kingston, Ont.

A customer in a Lansing, Mich., barber shop was charged \$1.65. He asked the barber if he wanted to buy a horse. "What would I do with a horse?" asked the barber. "Well," said the customer, "you know Jesse James had a horse."

## City Council Not Guilty of Any Official Neglect

to hear that the City had not been guilty of any neglect. The City Council had always done everything possible for the returned man and last Christmas a public subscription had been taken up to pay off the balance due on the G.W.V.A. club house. For Capt. Lovelace's information he would state that if the War Veterans were not in policies he would not have been a candidate. He had heard secretary Cunningham make the statement at the nomination meeting that at least the Veterans had stirred up something.
