Notice.

Complying with widely expressed public opinion as voiced by the Press and individual citizens, we, the undersigned members of the Municipal Board, deem it our duty to offer our services to the City for the next two years.

While making this announcement as a body, we wish it to be clearly understood that we are standing as individuals, and desire to express our readiness as individuals to work with any Mayor or with any other Councilors that the Citizens may see fit to elect.

In respect to the Charter which has been submitted to the Legislature, we beg to state that while firmly of opinion that its adoption will enable the City to be more effectively governed than at present, we have always recognized that some of its provisions are debatable. We have supposed that the Legislature and the Citizens would carefully consider such sections and would arrive at some decision in respect to them which would be generally satisfactory.

We can point with some satisfaction, if not with pride, to the improvements which have been made during our short term of office, and it is in the hope that we may be able to complete and perfect the work begun, and to institute further improvements, that we now signify our willingness to serve the City for another term of two years.

W. G. GOSLING for Mayor.

CHARLES P. AYRE for Councillor.

To the Ratepayers of St. John's.

At the request of a large number of my friends, both East and West, I have decided to place myself in nomination at the forthcoming Municipal Election.

Owing to the limited time between now and Polling Day, and the possibility of not being able to call on every elector personally, I would kindly ask them to accept this card as a personal canvass. I promise, if elected, to use all my energies to see that the civic taxes are spent judiciously.
