The Big Power Plant

erected by D.L. & S. Co. at Wabana, in 1923, was constructed of Pelly's Brick. We are now delivering brick for the construction of a building to house the big Electric Transformers to be installed there early next spring. Ever since operations began at Grand Falls, The Anglo Nfld. Development Co. have been using our brick. The Nfld. Pulp & Paper Co., are following their example at Corner Brook. Rather a strong argument in favour of your placing an order with us if in the market for brick.
