**Drive Out the Flies**

WITH

**SANIFLOR!**

It is unnecessary to have flies in the home.

A Saniflor will drive every fly from an ordinary room and keep them out.

No spraying. Just open the bottle, insert the flower wick and the Saniflor does the rest.

Operates night and day. Lasts two to three months. Costs \$1.00 at drug, hardware and general stores.

Manufactured by RENAUD & CO., PARIS.

**Dr. F. STAFFORD & SON**

Sole Agents and Distributors for Newfoundland.

Insects hate the delightful odor of Saniflor and give it a wide berth. Moths, water bugs and other insect pests move out when Saniflor moves in. Protects woollens from moths. Destroys all odors of cooking, etc., replacing them with the delightful and delicate fragrance of fresh flowers.

Some men are content with being covered, no matter how cheap the appearance. Others are particular as to their dress, and maintain the highest standards in material, cut and finish. From the selection of your material to the finished garment it has our careful supervision. Carefully planned by cutters of experience, fitted and shaped under their charge, followed by expert workers who take a pride in their work, these are the combinations of the garments at MAUNDER'S. New goods continually arriving. Samples, style sheets and self-measuring cards sent to your address.
