

Guelph Township Council.

Council met on Monday, the 9th, pursuant to adjournment. James Laidlaw, Esq., Reeve, in the chair. Present Messrs. Bennam, Darby, Howes and Sweetnam. The minutes of last meeting were read and confirmed. In compliance with a resolution passed at last meeting the Reeve reported that he had made enquiry relating to the sale of lot No. 14 in Keating's survey, the property of Mr. Wm. Steele, and was informed by Mr. Oliver, who had purchased it, that he was quite agreeable to give up all claim on said property, upon being refunded the amount he had paid. Moved by Mr. Darby, seconded by Mr. Howes, That the Reeve be authorized to settle with Mr. B. Oliver, by paying the amount paid by him for lot No. 14, Keating's survey, with interest and expenses connected therewith, said lot having been sold by mistake.—Carried. The Reeve stated that Mr. George Weltzer called on him relating to a private road leading from his property to the Waterloo road, and requesting to be allowed a portion of his statute labor to be performed on it. No allowance made. The Reeve read a communication from Mr. E. W. Fear, requesting some alterations in the schedule forwarded to him for the performance of statute labor. The Clerk was instructed to make out a list and forward it; also to call Mr. Fear's attention to the ditch he is making in said road division, which, as has been represented, will not only render the road dangerous, but will be diverting the water from its natural course, thereby likely to bring about damages with expenses against the corporation. The Clerk presented a communication from Mr. John Mickle, requesting the Council to release him from being held responsible for taxes upon the personal property (also for dog tax) assessed against George Anthony, late tenant of a portion of his property, and desiring to have the whole real property. No action taken, the roll having been confirmed. Complaints having been made that the approaches to the crossing of the railway on the road leading from Blyth's hotel to the west end are so narrow and unguarded as to render them unsafe for teams. Moved by Mr. Darby, seconded by Mr. Howes, That the Clerk be instructed to notify the Wellington, Grey & Bruce Railway Company, that the approaches to the crossing on the road leading from Blyth's hotel is in a dangerous state, and to request that the same be put in proper repair by widening and guarding as soon as possible.—Carried. Mr. Sweetnam, with leave given, introduced a by-law for providing for the liabilities and expenses of the Township, showing the total amount of assessment to be \$1,306,000. The by-law went through the required readings, the blanks were filled in Committee, with the following rates:—For County rate, 3 mills and two-tenths per dollar, \$4,179.20; Government and equivalent for school monies, six-tenths per dollar, \$756; Township purposes, one mill and three-tenths, \$1,697.80; making a total of \$6,633. It having been considered advisable to dispense with levying a rate for the Galt and Guelph Railway fund, this will make a difference of one mill and five-tenths less rate than the amount levied last year. The Reeve stated that since last meeting of Council the Directors of the G. & G. Railway had held a meeting, and were then informed by their Solicitor that the Great Western Railway Company had appealed against the decision of the Court of Chancery, the appeal having been thrown out the ruling of the Court was sustained. A half-yearly statement in connection with the working and earnings of the road having been submitted by the Great Western Company, but not being in accordance with the requirements of the decree in Chancery, the Solicitor was instructed to demand a statement in accordance with said decree. The Clerk was instructed to notify Mr. John Patterson to remove his fence from off the allowance of road opposite his farm. The Clerk presented an account of \$5.43 for postage, express charges, &c. Ordered to be paid. It was then moved and seconded to adjourn till Monday, the 24th day of September. A. McCORMACK, Clerk.

Erin Council.

A meeting of the Municipal Council of the Township of Erin, was held at the town hall, Erin village, on the 16th inst., at ten o'clock. The Reeve in the chair. Members all present. DEAN MCMILLAN, Chairman.—Moved by Mr. Berry, seconded by Mr. Currie, that the report of the Finance Committee be adopted, and that the Reeve give his order for the same.—Carried. Moved by Mr. Barbour, seconded by Mr. Reid, That the Reeve be instructed to procure the necessary lands from the Credit Valley Railway Company to secure stations at Erin village, Hillsburg and Mimosa, said stations to be constructed to ship cattle and produce.—Carried. Moved by Mr. Berry, seconded by Mr. Barbour, That James Long be paid the sum of \$2 for timber furnished for culverts, and that the Reeve give his order for the same.—Carried.
