

# Manufacturers' Outlet Sale

## \$60,000 Worth of Homefurnishings at Mill Prices

During the last two months many of the leading Furniture Manufacturers of Canada have tried to persuade us to put on this Sale. They offered us their entire lines at actual factory cost. These manufacturers are patriotic men, who are anxious to keep all their employees on all through winter. To keep the wheels of their factory moving they are willing to sacrifice all their profits. They have put it up to us as

the largest Furniture Dealers in Western Ontario that we should do all we could to help them. This, then, is our sole aim in starting this great sale. We have purchased from them goods at prices almost unheard of, and have added only a very small increase to pay for the handling. We have chosen the time for this sale when we think it will do the most good.

We intend to make this the greatest furniture sale ever held in Western Ontario. Furniture was never sold at such prices, because it was never bought at such prices. Everything is marked in plain figures so you can walk through and see the regular prices and the sale prices. Store closed all day Monday for marking goods. Sale starts 9 a.m. Tuesday, December 8. Open every evening. Goods held till Christmas on payment of a small deposit.
