It Tells What a Mother Ought to Know for Baby's Sake.

Above all things every mother wishes that her child, or children, child at any age is in a natural state unless it is well and happy. No mother can expect, though, that the child will escape all the ills to which baby-hood and childhood are subject, but she can do much to make baby's battles for health easily won A valuable little booklet entitled "Care of the Baby in Health and

Sickness" has been prepared and as it is something every mother should have, a copy will be sent free to any mother on request who will mention this paper by the Dr. Williams Medi-cine Co., Brackville, Ont.—Advt.
