"Why I Should Vote Conservative"

Imported bargains destroy your job!

and cheat you out of the wages to buy them with

Better have good wages and no imported Bargains..... than imported Bargains and no wages

A Cockney immigrant was recently scolding a United States shopkeeper for asking fifty cents for a certain article. "Why, where I come from," he protested, "I could buy that for a shillin'." "Then why didn't you stay in the place you came from?" retorted the shopkeeper. "Because I didn't have the shillin'!" blandly admitted the Cockney.

He couldn't get work in what was then free trade England, so he went to high tariff United States to get a job.

Keep on reducing Canada's tariff, throw open our markets more and more to the dumping of mass production from the United States and the off-scourings of European sweat shops where child labor is exploited, and you will bring wonderful bargains in manufactured goods to Canada.

But with everyone out of a job, who could buy them?

ROTARIANS COMMENDED

St. Marys Club Congratulated By Governor—Fine Progress Being Made.

Special to The Advertiser.

St. Marys, Oct. 22.—Great satisfaction at the progress made by the St. Marys Rotary club since its inception this spring was expressed by Sidney McMichael of Toronto, on the occasion of his official visit to the local club, as district governor of the 47th district Rotary international. The St. Marys club is the youngest in this district. At a dinner held in the Bank of Toronto building the district governor stressed the importance of the local Rotary club identifying itself in community service. The meeting was attended by all St. Marys Rotarians, and several other prominent citizens.

In the afternoon the district governor held a conference with the council of the St. Marys Rotary club. Plans were outlined by President W. N. Harrison; R. H. Harstone, chairman of the boys' work board, and Rev. A. B. Farney, chairman of the committee on Rotary education. He heartily approved the tentative program of the local club for the coming six months. W. N. Harrison presided at the evening session.
