LOCAL INTELLIGENCE. It is this highminded coterie that the Columbian represents. When the Monday, Sept. 24th, 1866. Union question was being agitated THE ACCIDENT TO THE "BELMONT."-Our that journal took upon itself to assert readers are already in possession of the parthat the people of British Columbia ticulars of the accident that befel the British by fire. were entirely averse to the connection, ship Belmont, in the Straits last week. A. but the soundness of its views were correspondent at Port Angeles sends us the following particulars of the discovery of the soon afterwards put to the test by a wreck produced by the collision. Yestermonster petition being presented to day morning, the figure head of some vessel the head of the Government, signed was discovered on the beach outside the Spit by almost all the men of means and a short distance north of the Ediz Hook Light barrowhawk. intelligence north of New. West- House. It is a female bust, painted white, minster, recommending immediate Un- and entire-although slightly marred. Some ion. The people's quasi mouthpiece, fragments of the bulwarks were also found. feeling itself "small potatoes," then The impression here is that it belongs to made an effort to pick holes in the some English craft. It must have come logue. signatures, but it was equally unhappy ashore the night previous. Capt. J. P. Adams, Master of the sloop Letitia, who in that attempt, and collapsed. Finding that the intrigues of their Govers having seen a vessel headed towards and crossed the Straits Wednesday night, reports nor have been successful in carving nearly on the Spit, and that he barely escapout a Bill however calculated to raise ed running foul of her in the fog, which was the price of New Westminster lots, exceedingly dense. Capt. White, of the the same journal is now ready to Revenue Cutter Lincoln, which came up the swallow the noxious bolus, rogarding Straits from Cape Flattery yesterday, reports his business. it as the only specific that will restore animation to the body politic. Well, we believe in equitable Union as much as ever we did and we are ready to as ever we did, and we are ready to wreck. The bust and some of the fragments concede that it is owing to our own have been brought to the Custom House, in blundering politicians that we are the hope that by them the vessel may be now threatened with such a manifest- identified."

benefit of the Fire Department. Mr Harett is an able lecture and nrom o tell our people some home-truths. THE RIFLE MATCH between ten of the navy and ten of the volunteers, will take place at the rifle range of the fleet, Belmont, Esquimalt, on Saturday next. The volunteers are required to be on the ground at gress, appointed to investigate the state of

Yours, truly, HENRY M. FIELD.

stance. My object in writing to you was to give my reasons for not becoming the prosecutor in this case, and I feel that to that resolution I must adhere. If, however, the Jamaica Committee consider it advisable, on the grounds of the public interests and public justice, and especially with reference to the future security of the black race, to take proceedings for the vindication of these great principles, so outraged by Mr Eyre and his coadjutors, I do not see how I can in any

EDITORS COLONIST & CHRONICLE :-- There floated ashore on the outside of Ediz Hook just north of the Light House, a full figurenead, woman, painted white, together with a portion of the cutwater, stem and some pieces of the bulwarks. The head has been recognized as that of the British ship Bels mont, which left Victoria probably on

EUROPE ARMED .- In the present position of Europe the following statement, drawn from official sources, of the armies on a war footing, is not without interest ;-- "France, 903,617, Prussia, 650,000; Austria, 651,612; Italy, 424.193 ; Russia, 1,200,000 ; England, 265,000, not including 230,000 Volunteers; Germanic Confederation, 407,361; Spain, 171,900: Portugal, 64,181; Holland, 92,000; Sweden and Norway, 137,800; Denmark, 41,940; Switzerland, 198,291; Belgium, 80,650; Turkey, 341,580; Egypt, and Dan-ubian Principalities, Montenego and Servia, 152,000; the Roman States, 12,000; making

tion takes inuumerable shapes. Sometimes the stomach omes so sensitive that it rejects even the simples od . and in other instances the patient is afraid to indulge the appetite. It is in cases like these that the tonic properties of Bristol's Sugar-coated Pills are most strikingly manifested. Mrs Margaret McElroy, of Troy, New York, testifies that for five years, she was nable to gest solid food-taking nothing but jellies, rice, and arrow-root-and even these caused her so much uneasiness that she was obliged to limit the quantity to a couple of ounces three times a day. She was terribly emaciated, and to use her own words, "hardly cared to live." After having tried more then transfer of treatment about lorgh core than twenty modes of treatment, she at length com menced taking **Bristol's Sugar-coated Pills**, and she-tates the result as follows: "I am thankful to say that I am quite well. I eat heartily, sleep comfortably, have recovered my fiesh, and feel no pain. All this I ower to **Bristol's Sugar-coated Pills**, and learnestly recommend than it all who suffer form work stored recommend them to all who suffer from weak stomach They are sure." They are put up in glass vials, andwill keep in any climate. In all cases arising from, or ag gravated by impure blood, **Bristol's Sarsaparilla** should be used in connection with the Pills. For sale everywhere. A New and Grand Epoch in Medicine .--Dr. MAGG EL is the founder of a new Medical System ! The quan itarians, whose vast internal doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to woo fhis extraordinary Pills, and cures the most virulent sores with a box or so his wonderful and all-healing Salve. These two great specifics of the Doctor ore fost supersecting all the stareotyned postrum of the healing Salve. These two great specifics of the Doctor are fast superseding all the stereotyped nostrum of the day. Extraordinary cures by Maggiel's Pills and Salve have oened the eyes of the public to the inefficiency of the (so-called) remedies of others, and upon which peo-ple tave so long blindly depended. Maggiel's Pills are not of the class that are swallowed by the dozen, and of which every box full taken creates rn absolute necessity for another. One or two of Maggiel's Pills suffices to place the bowels in perfect order tone the storesch cre place the bowels in perfect order, tone the stomach, cre-ate an appetite, and render the spirits light and buoyant ate an appetite, and render the spirits light and buoyant. There is ao gripping, and no reaction in the form of const; pation. If the liver is affected, its functions are restored and if the nervous system is feeble, it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. Ulcerous and eruptive discusses are literally extinguished by the disenfectant power of Maggiel's Salve. In fact, it is here announced that Maggiel's Billous, Dyspeptic and Diarrhea. Pills cure where all others tail. While for Burns, Scalds, Chilblains, Cuts, and all abrasions of the skin, Maggiel's Billous; and all abrasions of the skin, Maggiel's Environ is infallible. Sold by J. Magenz, II vine street, New York, and all Druggists, at 25 cents per box.

The Mormon Difficulty. The Philadelphia Enquirer says in relation to the Mormon difficulty : "The question-What shall we do with the Mormons ? is one upon which the Special Committee of Con-

affairs in the Territory of Utah, can give no advice. Enough has been elicited to show

a very bad state of affairs in that section of the country. Brigham Young carries on his administration in defiance of the United under the polygamous form, is to rebellion and wickedness. There is growing up in Utah, and constantly increasing, a population which only wants strength to resist the Na-

sions of the Mormon community continue as rapidly as they have been made of late, it will not be long before the country will have to prepare for war, exceeding in latrocity any contest with wild Indians which is to be

found on record. The great distance of tler at Cowichan, and formerly a clerk at Utah from the settled States of the East,

natural character of the country, will render that war tedious, costly and vexations. nor The Enterprise, on Saturday after. Expediency, therefore, would seem to justify among which would be the breaking up of the Territorial Government in Utah, and the The steam-tug Leviathan came down substituting of a military government in its place. But the Committee of Congress does not think that it is advisable to recommend such a decided course. Neither does the

members of that body favor the idea of di-AUCTION SALE .- Mr MCrea will' dispose viding the Territory held by the Mormons of the balance of Mr J. Loewi's stock of among the surrounding Territories. There

an inability to agree upon any specific course, and a request to be allowed to hold the matter over until December next. There cannot be any gain by this procrastination. Every Congregational tea meeting in St. Andrew's day increases the strength of the Mormon Church, Broughton street, on Friday even- hierarch, and renders him more hostile. Fail-

ing next. NEW MUSIC.—Mr J, Bagnall has received per Royal Tar from England, a large assort-this Mormon trouble is not of them."

Correction.

EDITORS COLONIST & CHRONICLE :- The little carving you undertook to do on mine The boat race between Francis and of the 22d, has left a sentence quite unfinished, which you will oblige by correcting by inserting the following marked few words at the end of "street" in the 29th line: "The lightnings of Heaven would have been as unlikely to respond to the call, as the spirits of the deep were in the opinion of the unbe-

SANITABY CONQUESTS .- Milton says, in the greatest of his sonnets;

- Peace hath her victories Not less renowned than wa."

The victories which BRISTOL'S SARSAPARILLA has been daily achieving for the past thity years have been of this class. They have involved the defeat of almost al human complaints. Scrofnlous disorders have been routed, cancers expunged, tumors oblicated, abscesses healed, eruptions removed, affections of the liver cured, healed, eruptions removed, affections of the liver cured, and all distempers originating in an aorid condition of the secretions and corruption of the blood, rapidly overj come Scores of cases as hopeless as that of Mr Alex-ande Mann, of Rochester, New York, whose tongue, mouth and facial muscles were hearly gone, have been brought to a triumphant issue, and it is known that in mo ethan twenty thousand instances the most malignant external diseases have been permanently cured by BRIS-TOL'S SARSAFARITA.
