TEAR. VICTORIA, BRITISH COLUMBIA, FRIDAY, JANUARY 7, 1887. CABLE NEWS. Harfington Promises a Cordial Support.

Harfington Promises a Cordial Support.

Salisbury Offers Goschen the Chancellorship of the Exchequer.

Harcourt has a Long Interfew With Chamberlain—France's Frime Minister Does Not Believe that War is Imminent.

A Coalition Government.

London, Dec. 31.—Lord Hartington has informed Lord Salisbury that he and his redlengues, including Mr. Goschen were in accord in the belief that it is imadvisable center.

Items insert of the Exchequer or the dead woman, and was only prevented from killings to the fine of the men isses to give the ministry a cordial support.

Ten timers Killed.

London, Dec. 31.—Ten miners were did in Cord Randelphot Churcill. The latter in the government effect a reconciliation with the government effec CONDENSED DISPATCHES, IMPORTANT FACTS. See all the control in the power of the dead seed of the control in the control i and the new is bridged by the flashing rainbow of expectancy and hope, over which our spirits travel from the past, which is ours forever, into that mystic country of the future.

The observance of the New Year dates far back into historic times. China, the oldest child of civilization, presses to the front with her "flowery kingdom" and almond-eyed people. Egypt follows, under the shadow of her pyramids, with the ibis of Thoth, the genius of the New Year, over the season of which, the rising of Sirius, the dog star, casts its regulating beams; while the Persian exchanges his first process.

The sone protatung tentough the scaled. Hicks, engineer, had one leg broken and was calded. Hicks, engineer, had one leg broken and was promptive of the flash one the debris but was promptive and almond-eyed people. Egypt follows, under the shadow of her pyramids, with the ibis of Thoth, the genius of the New Year and reaper works at Akron, Ohio, Year, over the season of which, the rising of Sirius, the dog star, casts its regulating beams; while the Persian exchanges his further than the process of the late General Legan has been removed from his late residence to the debris but was promptive and machinery is estimated at \$10,000.

Another Boller Explosion.

CLEVELAND, Ohio, Dec. 31.—At 10:30 of clock this morning two boilers in the mower and reaper works at Akron, Ohio, An Indiscrete Tautograph Hunter.

An Indiscrete Tautograph Hunter.

An Indiscrete Tautograph Hunter.

The story is told that while Edwin buried in the ruins, which took fire and it was with difficulty they were rescued. Year, over the season of which, the raining of Sirius, the dog star, casts is regulating beams; while the Persian exchanges is insword and armor, arrayed himself in snowy white on the first day of the New Year, and posees and happinesses their prefect glory over all the land. Later on, visiting beams the order of the day, and grotesque masks wandered at will throughout the streets of the capital, which was the eagles of Rome, were given over to peace and good-will toward all mankind. The Chratatan folks, forbidden to join in any of the Pagan observances, and the near the season of the faction, and submyly key reason that is not the first day of hardy happinesses and solventy keys to the earlies of the english of the Nativity, New Year, and a solventy keys as an unrecally accepted as the opening day of the New Year. Christians Day, the Annurication (20th of March), Easter the sound will be the ratious be and and and the through good as the commentoration of the circumcision, and solventy keys as an unrecally accepted as the opening day of the New Year. Christians Day, the Annurication (20th of March), Easter the sound of the population has been aroused throughout the streets of the explain of the vest possessions, over which when the first day of January was unrecally accepted as the commentoration of the circumcision, and solventy keys resonated the population has been aroused throughout the streets of the explain of the commentation of the circumcision, and solventy keys resonated to provide the present. The testing and plant the result is absent to the various branches of the feature of the present. The testing street the call of the Nativity, New Year, and any of the New Year, and the solvent of the present of the population has the opportunity of the New Year, the provided of the Nativity, New Year, and the solvent of the present of the population has the opportunity of the New Year, the provided of the Nativity, New Year, and the provided of the Nativity, New Year, and the provided of the Nativity, New Yea

A JINGO SPEECH.

A JINGO SPEEC

From The Daily Colonist, Jan. 1, 1887 LOCAL AND PROVINCIAL.

VOLUME XXIX, NO. 1.

Canning Beer.—A company is about to be formed to establish a beef-canning establishment at Kamloops.

tenant farmers from the old country to the Dominion this year.

That Ottawa advices represent that unless the fishery question is settled before spring; the Canadian government will add six cruisers to its patrol service.

That Mrs. A. Barnes has been appointed postmistress at Chimney Point, in place of her late husband. The office has been in the family nearly forty years.

That the inquiry into the conduct of Governor Hennessy, of the Mauritius, by Sir Hørcules Robinson, has terminated in an acquittal.

That the tories say Lord Salisbury will introduce several of his bills in the house of Lords instead of having them first presented in the commons. He will thus save time and revive in some measure that the credit of that body with the people.

That SMITHE GOVERNMENT of Lawrence and actresses had a hard task to sustain the interest of the audience, the work been the credit of the Dominion as a whole will condition of Lords instead of having them first presented in the commons. He will thus save time and revive in some measure that the termination of Lords instead of having them first presented in the commons. He will thus save time and revive in some measure that the termination of Lords instead of having them first presented in the commons. He will thus save time and revive in some measure that the content of the propersion to follow the enterprising the sample of the gentleman who lately handed the theory they can be proported to do any, which, typographically speaking at least, will be found, we think, apace with any other publication on the Pacific coast. No exertions or expense will be begradged in procaring the latest news from all quarters. In politics we shall continue to a generous support so long as their future policy shall compare with their past credit all policy in the propersion of the conservative government this province is indebted for its advancement and that an adherence to the National policy is the only course by which the Dominion as a whole will continue to the proportion of the proport
