

The Colonist FRIDAY, MARCH 22, 1895.

A FRIEND IN THE BAST.

It is sheering to see that the sealers of longer it is deferred the more difficult will British Columbia have with them the sym- it be to perform. pathy of their countrymen east of the Rocky

Mountains. The Montreal Gazette under-UNCLE SAM'S MONEY MATTERS. stands their case fully and is indignant at The amount of money which the United the way in which the United States Con-

States Congress expends, or rather authorgress has refused to confirm the arrangement made with the Secretary of State, Mr. izes to be expended, is enormous. The Fifty. first Congress was on account of its immense Gresham. It says : It is gratifying to learn that the claims

appropriations called the Billion Dollar Conof the British Columbia sealers for compen- gress. Every Congress since has been a sation on account of the illegal seizure of billion dollar Congress or very near it. The their vessels by the United States are not appropriations of the Fifty-first Congress being lost sight of by the Imperial Govern-ment or the British House of Commons. amounted to \$1,035,000,000; those of the interests of the people of British Columbia in Fifty-second Congress to \$1,027,000,000, Sir Julian Pauncefote, the British repre sentative at Washington, has been pressing the subject on the attention of the United and the Congress whose term has just expired voted away \$990,000,000. It will be the COLONIST is independent States Government, and in view of the delay seen by this that the Democrats did not outspoken as well as faithful. This that seems likely to take place before the claims are settled, the British Government has unspend quite so much money as the der consideration the advisability of paying Republicans. The former have out cause it is indirect and not intended to the claimants something on account. Some action in this direction, either by the Imdown the pension list to the extent benefit the COLONIST. We trust that our of about \$30,000,000, and we have contemporary will continue to show the perial or the Dominion Government, would no doubt that it could be cut down still people that in every orisis of the be justifiable

After relating some of the particulars of the illegal seizures and commenting upon the decision arrived at by the Paris arbitrators, the Gazette goes on to say :

and United States Secretary Gresham, with the approval of President Cleveland, offered a sum of \$425,000 in settlement, which was accepted by Great Britain after being ap proved by the Canadian Government. Conafter delaying consideration of the gress, question as long as it could, refused to pay the money; and thus the whole business has to be begun over again. Negotiations must The United States is no longer a bloated ernment, when in its opinion blame was be entered into to fix the amount of dam ganitalist. Like the rest of the world it deserved.

capitalist. Like the rest of the world it deserved. ages, and as Congress has refused to pay a lump sum in settlement, reference to a specially established international tribunal seems inevitable. But no steps can

he taken in this direction without the conmeet his notes. Indeed, it looked a little sent of the United States Senate, and in the while ago as if he would have to suspend ordinary course of things the Senate will not meet again till December. Thus a settle payment or meet his obligations with de-ment is still further deferred, and it is no preciated silver. He, however, turned that payment or meet his obligations with dewonder if the wronged sealers of British corner cleverly. The Britishers came to his Columbia become impatient. The highaid and now he is in funds again. His exhanded proceedings of the United States declared to be entirely without penditure has been for a considerable warrant by the tribunal to which the questime in excess of his receipts, but his intion was referred, and it is a matter of come is slowly increasing, so that there is national honor, nay of common decency, that hope that he will before very long be able the United States Government should to made both ends meet. It must not be pensate those whom it has injured and in-

sulted in the lawful pursuit of their liveli supposed that, because he is short hood. This policy of shuffling and evading at the present time, he has beyond all question is unworthy of a great grown poor. He is not poor. nation. The action of both Representatives and but much of it is not available

Senators has in this matter of the Behring just now. For one thing, he has in his Sea Question been, to say the very least, vaults \$508,859,907 worth of silver coined most unbusiness-like. They have presumed and uncoined, but, as all the world knows, are therefore left to the conclusion that the to try a case that has already been tried by silver is a drug in the market, and so Uncle a competent tribunal after a long and search. Sam must hold on to this a while longer. His ing investigation. They seem to think that gold reserve is, since the last loan, quite
