MUTE EVIDENCES OF WAYS THAT ARE DARK

Former Crimes Recalled By Yearly Housecleaning Operations

(From Saturday's Daily)
Evidences of wealth in large figures were visible in the local detective office yesterday afternoon. Large rolls of bills, with scores of cheques littered the table and Sergeant Detective Palmer, as he sat amid the carelessly scattered money and papers looked like a man at the height of a run upon his institution.

ALBERNI WATERWORKS BEFORE JUDGE MARTIN

Certificate Will Not Be Granted Pending Hearing of Second Application

(From Saturday's Daily)
The Alberni Waterworks company made their adjourned application before Judge Martin yesterday for a certificate enabling them to carry out the purposes for which they were incorporated, namely the supplying of water to the town of Old Alberni. They made their original application some time ago to Judge Martin and the matter was adjourned in order that further material might be prepared.

THE REALTY MARKET

Last Week Characterized by More Enquiries Than For a Year Past

A visit to a number of the principal real estate offices in the city yesterday revealed the fact that no individual transactions of special magnitude appears to have been consummated during the past week, yet the business seems to be in a much more healthy condition than has been the case for some time.
