[illegible]

All the doct'ors, even including Dr. McKenzie, now reluctantly agree with him. As to the time likely to elapse before death there is a difference of opinion, but it is believed that unless some unexpected development of a malignant character intervenes it is a question of weeks. It will be a miracle if the patient lives a year. Even the Crown Prince has given up hope.

**THE FAVORITE MANICURE WITH ALL CLASSES—Perry David Pain-Killer.**

A proposal is on foot to make St. George's Day, as a national festival, equal to St. Patrick's Day of the Irish.
