

THE TORONTO WORLD.

THURSDAY MORNING, JULY 8, 1884.

SPORTING NOTES.

The Wanderers turned out 25 strong in the bicycle races Tuesday, and not 35 as stated.

Samuel Norworthy's young Eclipse came out victorious at Hanover yesterday in the trotting race, beating the young Clear Girl Hamiltonian.

For Gloves and Hosiery go to the Bon Marche.

This club under its new commodore seems to be waking up. The scene at the club's home Tuesday was more enlivening than anything which has been seen there since the removal to the island, and gives hope to yachting men that there may be a renewal of the old yachting spirit which formerly characterized this club.

The yachts were maneuvered from the yacht Alleen under command of Commodore Leys. The code of signals are a simple code prepared by the veteran yachtsman of the bay, Captain Shipley, R. N., who was on board the "Alleen" to explain the working of the yachts first formed line and ran out into the lake yachts forming a squadron: Alleen, Oriole, Yerva, Alarm, Coquette, Kirt and Madeline.

The next movement was to tack in, thus forming a line abreast, after that the order to follow commodore's motions brought the yachts back into the bay. One further order to tack in was given and the yachts were again in a line.

The Springbank at St. Catharines. As will be seen in the business columns of the World, the Medical and Surgical association of Canada have been thoroughly reorganized, their capital stock largely increased, and their staff of specialists largely added to.

Warner's safe case. Mr. Macpherson, the representative in Toronto of Warner & Co., manufacturers of the celebrated safe case, had prepared a fitting representation of their business for the parade yesterday.

See the elegant Black Dress Suits that the Bon Marche are offering for Eighty cents, regular price in any house in the town \$1.40. See for yourself. No trouble to show goods. Farley & Co., 7 and 9 King street east.

Entries for the Woodbine Trotting Meetings. The following are the entries for the meeting of the Toronto trotting association at Woodbine park, July 8, 9 and 10: 3:00 class—Lady Collins, Tom Brown, J. K. Leslie, The Marquis, Capt. Ellis, Lady Fulton, Goldfinger.

To-night come and take a walk through the Bon Marche by the electric light. And sale ladies to conduct you through. Everything marked in plain figures. The red mark is the Bon Marche's price.

They didn't spar. Only thirty or forty people had assembled in Albert hall last night at the time set for the much talked of boxing match between Jack King and Harry Gilmore to take place. It was, therefore, decided to postpone the affair till this night week, when the prices will be reduced from the exclusive dollar and a dollar to more popular fifty cents and two.

The Gay Bon Marche. None of the decorations on King street attract so much attention and general admiration as the Bon Marche. Beauty of design is linked with ample proportions, and the whole is impressively pretty. Farley & Co. have their reward for their display in waiting daily on hundreds of purchasers from a distance and at home.

A Great Piece for the Boys. The new baseball straw hat, a great novelty for boys—it is very pretty and durable. A basket with each hat, 75c, for sale at Dimeson's hat store, corner King and Yonge streets.

A Gigantic Swindle. New York, July 2.—The largest and boldest swindle of which any financial corporation has been made the victim in years has been slowly unearthing for some weeks past by the police, who to-day disassembled upon a gang of thieves. They captured three of its leaders and they were locked up. When the proof of their guilt was placed before them they made a full confession that will lead to the arrest of scores of their helpers.

The best and most improved Sewing Machine—the "Wanzer." The reason why "Non-such Washing Compound" should be used in preference to all other washing preparations, "Flint," is its perfectly harmless. Second, it saves more than half the labor. Third, it is the cheapest in the market. Many more could be given but this should be sufficient. For sale by all grocers. Lowman & Co., Wholesale, Agents for Toronto, 2-4-6.

George Washington could not tell a lie. "We can't, we won't." Our lives can and do when they tell the public that we do not make as good work at lower prices than they do. We are selling more harness than ever. Buggy and express harness very cheap. Don't patronize auction shops, but go where you get your work warranted. No. 65 Jarvis st. 224

DIED. TENNEY.—At his late residence, lot 11, in the con. of Hamilton township, Patrick H. Tenney, in the 80th year of his age.

MORE THAN EIGHT YEARS USE OF strictly reliable fabrics, made in the most artistic and durable manner possible. QUINN, THE SHIRTMAKER.

WARRINGTON, July 2.—The house committee on foreign affairs to-day informally agreed to report a resolution expressing the sentiments of the house in favor of the negotiation of a reciprocity treaty between the U. S. and Canada.

LOCAL NEWS PARAPHRASED.

A lad picked up a soldier's bayonet on the Esplanade. It can be obtained on giving satisfactory proof of ownership at 238 King street east.

The semi-centennial souvenir program is meeting with an extensive sale. It is the most complete one issued, and is to be had all over the city for five cents.

The Holman opera company and the semi-centennial visitors from London make the Montreal house their headquarters. Miss host Coleman entertains them well.

An enjoyable feature of the semi-centennial celebration will be the organ recital at the Bond street church by St. P. Warren, organist of Grace church, New York, to-morrow evening.

"This is the way we done it fifty years ago" read a placard on one of the wagons at the parade yesterday. Evidently, at that time rules of syntax were openly violated. Now the painter would have put it: "This is the way we did it."

Goldie & McCall of Galt made an excellent exhibit of a mammoth safe drawn by four horses in the parade procession yesterday. This firm have their headquarters at Galt, where they carry one of the largest safe works in America. Their safes have a world wide reputation and are shipped not only to all parts of Canada but to all parts of the world. They have recently opened a branch office on Church street, Toronto, with Mr. Geo. J. Bostwick as manager.

Strangers visiting the city should not fail to take a walk through the Bon Marche.

Young Men's—Read This. The Voltaic Belt Co., of Marshall, Mich., offer to send their celebrated Electro-Voltaic Belt and other Electric Appliances on trial for thirty days to men (young or old) afflicted with nervous debility, loss of vitality and manhood, and all kinds of troubles. Also for rheumatism, neuralgia, paralysis, and many other diseases. Complete restoration to health, vigor and manhood guaranteed. No risk incurred as thirty days' trial is allowed. Write at once for illustrated pamphlet free.
