TO WILLIAM NILES, ESQ. WARDEN

COUNTY OF MIDDLESEX.

SIR—

SIR—

County of Middlesex, beg leave to request that you will be pleased to call a meeting of the qualified Ele tors of this County, to take place in the town of London on TUES-DVY, the 4th day of March next, to take into nonsideration the propriety of authorising the County Council to pass a By-Luw for taking stock in the Great Western Railread to the

stock in the Great Western Railread to the amount of £25,000, in the following words: WILLIAM NILES, Esq. Warden, County of Middlosex.

E. M. Hyman; E. Leonard, Freeman Talbot, J. M. Bennett, J. B. Strathy, J. F. Ralfe, E. Walker, J. Jennings, W. Barker, Jas. F. Westland, P. Schram, J. Dimond, A. Anderson, S. Peters, T. Fraser, E. Raymond, H. Davis, J. Stevens, J. C. Little mond, H. Davis, J. Stevens, J. C. Little. L. Lawrason, B. Guman, R. Anderson, J. Daniell, W. McMillan, G. Robson, G. Shipley, P. Mee, J. Ray, R. Frank, M. Snipley, P. Mee, J. Ray, R. Frang. M. Dixon, W. Weeks, R. Craik, T. Moyle, H. Johnston, G. Smith, G. Stevens, R. Robson, W. hipley; M. Holmes, H. A. Newcombe, W. M. Wilson, G. J. Goodhue, Adam Hope, R. H. Waddell, Rob't Simson, E. Adams, J. Farley, F. Ker-

by. Gentlemen,—In compliance with the above requisition, I appoint the said Meeting to be living there. held on Tuesday the 4th day of Maren next, 多 w ll be said to any person who will give mat the hour of 12 o'clock room, in the Court House square in the Town of London, for the purpose above stated.

WM NILES, Warden, C. M.

Whereas by an act of the last session of the Provincial Parliament, intituled "An act to empower Municipal Corporations to subseque for stock in the Great Western Railread Co., or otherwise to aid in that undertaking," the Municipal Council of the County of Middlesex are authorized and empowered to subscribe for any number of shares in the capital stock of said company, and to issue debentures payable at such times and for such sums with or without interest, as the said Council may deem meet.

And whereas the said Conneil by and with the consent first had and obtained of the qualified electors of said County of Middle ex. of the country. Charges moderate. present at a meeting duly called for that pur- Stables adjoining ute, have agreed to subscribe for and on behalf of the Municipality for 1000 shares in the Capital Sock of the said Great Western

OR Sale, Bread cloths, all colors, cassimeres, plant and striped.

And it is hereby enacted by the Municipal Council of the County of Middlesex, in Council assembled, by and with such consent so one lassembled, by and with such consent so one last safe and Artificials, also, a new, nd complete a sortment of last safe and la 1000 Shares of Stock of the Company afore-

And it is hereby further enacted that the warden for the time being, shall have full power, and is hereby required from time to time, to issue debentures in payment of said stock in sums not less than £25 each, and in the same proportions, and at the same times that the calls upon the Stock shall be made payable in the case of other shareholders.

And it is hereby further enacted that the said debentures shall be rayable in twenty years from the date, and shall bear interest at the rate of six per cent pr annum, payable half yearly at the office of the County Treasurer, and shall be signed by the County warden, and countersigned by the treasurer And shall have Coupons or Dividends strached and every Monday thereafter thereunto for the interest aforesaid, which

DEDICATED BY SPECIAL AUTHORITY Mer Majesty the Queen

THE BRITISH COLONIES! Their History, Extent, Condition and Re-

y R. Montgomery Marin, Esq., PROSPECTUS.

IIE vast importance of the Colonial and Transmarine Possessions of the Crown is gradually becoming better understood by the people of England, who are learning to a preciate more justly the influence they have already exercised in elevating this country to its present political and commercial position among European nations, and the ample means they afford of providing room for a superabundant population; consequently of creating new markets for our commerce, re munerative employment for our lab ur, and safe and profitable investments for unemployee

cacital. The British Colonial Empire is without

of ur Colonies can hardly be over atel, since through them the incubus which now weighs lown the energies of the nation may be concerted into a blessing. A population of thirty nillions on an area of seventy-six millions of tatute acres in the United Kingdom, of which ourty million acres are weste lands, shows a lensity of four hundred inhabitants to each quare mile of arable surface. This alarming lensity is increasing at the rate of more than thousand births a day—nearly a mouth every minute—an augmentation not only beyond our capabilities of producing food at large but for the case of the city.

Price, 2s. 6d.

The above work is for sale at Messrs. Rowsell, Brewer & McPhail, and at the Boston Book Store, King. Street, and the other Book Stores of the City.

December 5th, 1850. ond our carabilities of producing food at tome, but far outstripping our means of crea-Our Colonies offer a noble field for British

Inda. ry. They could sustain with case an addition of one hundred millions to their preent population. In the Canadas there are not six individuals to the square mile of area, in Australusia not three, in Southern África

ot two.
It has been deemed that full and correct HE second volume of the Agriculturist information concerning the Extent, Condition in its present form commences January.

It is issued monthly, and contains 24 ceptable to all classes of the community and Resources of our Colonies, would be active in 192 ceptable to all classes of the community—
ages, double columns, imperial octavo. During the present year, the advertising sheet
will be dispersed with. It will comain numerous constructions of Machines and Farm
Implements, Farm Houses and Cottages, &c.,
Plans for School Haises, and Diagrams in
explacation of questions in mechanical science
and natural philosophy.

Great care will be taken in the selection of
perism on property—a pressure rapidly in
perism on property—a p carping to the Colomes, as they other promptend permandent and natural philosophy.

Great care will be taken in the selection of matter, whether relating Agriculture, Hotticulture, Moehshire, Domestic Economy, Edundle rank of society, and leave only two ation, or general Science. Several intelligible of the color of

gent practical farmers and gardners have promised correspondence, and the editor will be lapty to receive communications from all their subscribers. Such as are of interest will be freely jublished. Two or three gontenness of the land of poets, who view with alarm the recent changes in our commercial policy, may find in the freely jublished.
