GENERAL NEWS.

Mrs. Patrick Daley, of Cleveland, Dhio, have given birth to five children in one year. One boy and girl, twins born January 10 of this year, are alive and making lots of noise, though neither of them weighed over three pounds. Triplets came to the Daley home on Jan. 5, 1906. All were boys. One lived a day, another a week and a third three months. The twins came January 10, 1907. Now there are six children in the Daley family.

Timothy Collins, aged 111 years, the oldest man in Canada, and probably the oldest on the continent, is dead at his home on Chomody street, Montreal. The immediate cause of his

On Time

The C. P. R. has a party of engaged in surveying the Dirt Hill country in Saskatchewan, for the laying of a branch from Weyburn west, which will not only shorten the distance between Winnipeg and Lethborder time and the coal mines of Alberta, but will open up a splendid stretch of country for settlement. It is expected that this line will be commenced as soon as the spring makes railway construction on my Chatham Incubator,—sold On TiME and on a 5-year guarantee. I want to send you my Chatham book. This incubator book is free—Til send it to you for just a postal card, it tells you how to make money out of chickens.

The C. P. R. has a party of engaged in surveying the Dirt Hill country in Saskatchewan, for the law in Ontario under a provincial statute; and that when as a last resort something more than probation becomes necessary, the industrial school and not the jail or penitentiary should be that resort.

The act contemplates that the details of the system, establishment of courts, provision for the appointment of probation officers, etc., should be left to the provinces, and that the act should not go into force in any province until the necessary machinery has been provided.

The keynote is struck and its purpose made plain by the preamble and by section 27. The introductory recital way for a quarter.

We have two the country for sort something more than probation of the law in Ontario under a provincial statute; and that when as a last resort sort something more than probation book as the law in Ontario under a provincial statute; and that when as a last resort sort something more than probation of the law in Ontario under a provincial statute; and that when as a last resort sort something more than probation of the source and the law in Ontario under a provincial statute; and that when as a last resort.

The law on your place?

Well these things are true. This incursive and the deat statute; and that when as a last resort sort something more than probation of courts, for courts of the structs of

line fifty miles north from Moosejaw; a line from Bredenbury to Esterhazy, and another to connect Sheho with the Pleasant Hills branch.

From Brockville, Ont., it is reported that a party of five and the community described by section 27. The introductory recital of the act reads as follows:

"Whereas it is inexpedient that youthful offenders should be classed or dealt with as ordinary criminals, the welfare of the community described.
