TO ADVERTISERS.

The Industrial World, on account of its  
large and general circulation, commands itself  
as an advertising medium for all who seek  
business with manufacturers and the whole-  
sale trade. Its advertising rates are low when  
compared with those of other leading scientific  
and industrial publications. Card of rates  
sent on application.

Changes in advertisements should be ordered  
so as to reach the office by Tuesday morning in  
each week, as some parts of the paper go to press  
on that day.

TO CORRESPONDENTS.

The department "National Industries" is  
set apart for the unrestricted use of those who  
desire to place their views on interesting  
topics before their brethren in the trade.  
Nothing in the nature of an advertisement  
will be printed in this department.

The publisher will be obliged to all who will  
kindly send in items of news or interesting  
and such will be printed in their appropriate
