From the Editor's Note Book.

The International Philatelic Review is the best number 1 which we have ever had the pleasure of receiving. The article on U S envelopes is alone worth double its subscription price. The paper might be larger but we have no hesitation in pronouncing it an unqualified success and hope to greet it monthly.

Surcharged 3c leafs and numerals assorted are bringing as high as \$1.00 per 100 cash and still a certain Toronto dealer is offering 10c per 100. The Toronto boys have dubbed him a "sheenie".

Impertals are still on sale at the Berlin post-office.

The second issue of the Jubilee Philatelist has made its appearance. It presents a very healthy appearance. Long life to it.

According to Her Understanding.
 Boston Maid—I would be glad to have you accompany me to the meeting of our literary society.
 St. Louis Girl—Oh, such things make me weary!
 Boston Maid—But we are to have an evening with Emerson.
 St. Louis Girl—Indeed! Why, I thought Emerson was dead.—Chicago News.
