

Sister Institutions—Proposed by Rev. M. F. Fallon, O.M.I., reply by Dr. Collins of Holy Cross.

Dr. Ivers and Mr. George Murphy favored the company with excellent songs, while Messrs. James and Charles Cushing were heard to advantage in two well-rendered recitations.

On the conclusion of the toasts the Rev. Owen Clarke spoke of the desirability of forming a permanent Alumni Association for the district of New York. The suggestion met with unanimous approval and an immediate organization resulted in the election of the following officers.

President, Mr. W. A. Herckenrath of New York.

1st vic-president, Rev. Owen Clarke, of Orange Valley, N.J.

2nd vice-president, Rev. C. J. Gibney, of Brooklyn.

Secretary, Mr. George Murphy, of New York.

Short addresses were delivered by the newly elected officers, who promised faithfulness to the interests of University, the association and its individual members.

A custom of the closing nights of olden times in Ottawa brought the evening's programme to a close. All those present joined hands around the table and sang, standing, "For Auld Lang Syne." It was a fitting and touching termination to the first annual re-union of the New York alumni of Ottawa University.

May every golden hour of pleasure
As our college days we measure,
Round our hearts a golden treasure
Ever cling.
