**ADVICE TO MOTHERS.**—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by softening the child from pain, and the little sufferer wakes as bright as a button. It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

**WHAT IS DYSPEPSIA?**

12/5-2  
Among the many symptoms of Dyspepsia or indigestion the most prominent are: Variable appetite; faint, gnawing feeling at the pit of the stomach, with unsatisfied craving for food; heartburn, feeling of weight and wind in the stomach, bad breath, bad tastes in the mouth, low spirits, general prostration, headache and constipation. There is no form of disease more prevalent than Dyspepsia, and none so peculiar to the high-living and rapid-eating American people. Alcohol and tobacco produce Dyspepsia; also bad air, rapid eating, etc. Burdock Blood Bitters will cure the worst case, by regulating the bowels and toning up the digestive organs. Sold everywhere.
