A BRIDE'S CONFESSION. "Yes, dear, I am married now, and George and I are living in the loveliest flat on 64th St. Well, yes, we did get married somehow, suddenly. My health, you know, had for some time been very delicate, and Dr. Heavyfoot told mamma that he would follow me, dear sister Belle, who died three years ago from a wasting disease. Dear George was almost crazy when mamma told him what the doctor said, and I nearly cried myself out, but one day I overheard that 'bawling Nelly Parker' say to her mother, 'I think that George Blauvelt is just too lovely for anything, and when the girl he's engaged to dies, and they say she is dying of a galloping consumption, I'm going to step into her shoes by my card. I am now Mrs. George Blauvelt. Just you wait and see.' This spring I noticed George seemed to be almost resigned to the idea that we should never be married, and the thought that that deceitful busy might get him after all nearly drove me crazy. One day I read the testimony of Lawyers Howe and Hummel as to the wonderfully invigorating effect of DR. CAMPBELL'S ARSENIC WAFERS, and I resolved to try what they would do for me. I commenced their use on the 4th of July. George had just called for Europe on business for his firm. On Sept. 18, 1888, Belle was, from the use of the Wafers, by that time again a well woman, and so enraptured was he with my healthy and robust appearance that he insisted we get married the very next day. I could not say him nay, and, as you will see by my card, I am now Mrs. George Blauvelt. Do call soon and let me introduce George to you; I am sure you will like him, he is so handsome, and as good as he is handsome. Good-by; be sure not to forget."

THE DEY OF ALGIERS! THE SHAH OF PERSIA and the SULTANS of TURKEY and MOROCCO now FATTEN and BEAUTIFY their harems exclusively on DR. CAMPBELL'S ARSENIC COMPLEXION WAFERS. So great is the demand for these marvellous Wafers that their manufacture is continued day and night. The Shah found his harem in a state of disorder on his return to Persia Oct. 12, 1888. Reason—Their supply of CAMPBELL'S WAFERS was exhausted! ILLUSTRATIVE of the desirability of a certain article of Food, rumour has it that the above distinguished Oriental potentates make it a practice to WIPER their wives regularly once a month, precedence in rank and Imperial favour being accorded to the wife possessed of the greatest number of pounds avoirdupois. Scrofulous Affections

Humors are caused by a vitiated condition of the blood which carries disease to every tissue and fibre of the body. Ayer's Sarsaparilla purifies and invigorates the blood, and eradicates all traces of the scrofulous taint from the system. I have used Ayer's Sarsaparilla, in my family, for Scrofula, and know, if it is taken faithfully, that it will thoroughly eradicate this terrible disease. I have also prescribed it as a tonic, as well as an alternative, and honestly believe it to be the best blood medicine compounded. —W. F. Flower, M. D., D. D. S., Greenville, Tenn. I was severely troubled, for a number of years, with an affection of the Stomach, and with Weak and Sore Eyes—the result of inherited Scrofula. The healing, purifying, and vitalizing effects obtained by using Ayer's Sarsaparilla, furnish convincing evidence of its wonderful medicinal powers. Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.
