MESRS. C. C. RICHARDS & Co.

— I take pleasure in giving my testimony to your well known MINARD'S LINTMENT, as I feel that it saved my life. In the winter of 1887, I was attacked by a severe pain in my left side caused by a fall from a building during the previous summer. I got relief every time it was bathed with the MINARD'S LINTMENT, and eventually cured by the use of only a few bottles. This lintment has made some wonderful cures. THOMAS WASSON. SHEFFIELD, N.B.

My Medical Discovery seldom fails of two people alike! Why? Because two people have the same weakness. Beginning at the stomach it goes through the body for any hidden humors times out of ten, inward humors weak spot. Perhaps it is only a slight ment left on a nerve or in a gland; the Discovery slides it right along, and quick happiness from the first bottle. It settles its big sediment or open settled somewhere, ready to fight. The quick Discovery begins the fight, and it pretty hard, but soon you thank me for something that has reached your spot.
