HALL'S VEGETABLE SICILIAN HAIR-RENEWER is a scientific combination of some of the most powerful restorative agents in the vegetable kingdom. It restores gray hair to its original color. It makes the scalp white and clean. It cures dandruff and humors, and falling-out of the hair. It furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft and glossy, and is unsurpassed as a hair dressing. It is the most economical preparation ever offered to the public, as its effects remain a long time, making only an occasional application necessary. It is recommended and used by eminent medical men, and officially endorsed by the State Assayer of Massachusetts. The popularity of Hall's Hair-Rewriter has increased with the test of many years, both in this country and in foreign lands, and it is now known and used in all the civilized countries of the world.

The Bad and Worthless

are never imitated or counterfeited. This is especially true of a family medicine, and it is positive proof that the remedy imitated is of the highest value. As soon as it had been tested and proved by the whole world that Hop Bitters was the purest, best and most valuable family medicine on earth, many imitations sprung up and began to steal the notices in which the press and people of the country had expressed the merits of H. B., and in every way trying to induce suffering invalids to use their stuff instead, expecting to make money on the credit and good name of H. B. Many others started nostrums put up in similar style to H. B., with variously devised names in which the word "Hop" or "Hops" were used in a way to induce people to believe they were the same as Hop Bitters. All such pretended remedies or cures, no matter what their style or name is, and especially those with the word "Hop" or "Hops" in their name or in any way connected with them or their name, are imitations or counterfeits. Beware of them. Touch none of them. Use nothing but genuine Hop Bitters, with a bunch or cluster of green Hops on the white label. Trust nothing else. Druggists and dealers are warned against dealing in imitations or counterfeits.

DR. BENNET, 119 Hollis St., Halifax.
DEAR SIR,—It gives me great pleasure to be able to inform you that since I have been under your treatment my health has greatly improved, and I am entirely free from pains. For years I have suffered, and although several of the best physicians have treated me, they have, none of them, been able to cure or give me relief. Thanking you for your kind attention, I remain, dear sir, yours truly,
MARY JANE HOLY.

HERRING COVE, April 8, 1882.

TO CONSUMPTIVES.

The production of a remedy that "may truly be said to so alter the prospects of the Consumptive as to give hope of cure in not a few cases, and of much prolonging of life in by far the greater number," is the only remedy worthy of the name, which, if carefully and faithfully used, may arrest and cure the disease, and it is pretty sure to retard it and prolong life more than any other known remedy. It is a great desideratum. Yet, this desideratum is fully met in ROBINSON'S PREPARED EMULSION OF COD LIVER OIL WITH LACTO-PROSTATE OF LIME, which is universally acknowledged wherever introduced, to be the best preparation of Cod Liver Oil extant, and which, if "carefully, faithfully" and persistently used, will rarely fail to pronounce marked beneficial results.

Prepared solely by Hanington Bros., Pharmaceutical Chemists, St. John, N. B., and for sale by Druggists and General Dealers. Price \$1.00 per bottle; six bottles for \$5.00.

UNMISTAKABLE BENEFITS

Conferred upon tens of thousands of sufferers could originate and maintain the reputation which AYER'S SARSAPARILLA enjoys. It is a compound of the best vegetable alteratives, with the iodides of Potassium and Iron, and is the most effectual of all remedies for scrofulous, mercurial, or blood disorders. Uniformly successful and certain in its remedial effects, it produces rapid and complete cures of Scrofula, Sores, Boils, Humors, Pimples, Eruptions, Skin Diseases and all disorders arising from impurity of the blood. By its invigorating effects it always relieves and often cures Liver Complaints, Female Weaknesses and Irregularities, and is a potent renewer of vitality. For purifying the blood it has no equal. It tones up the system, restores and preserves the health, and imparts vigor and energy. For forty years it has been in extensive use, and is to day the most available medicine for the suffering sick, anywhere.

CHRONIC BRONCHITIS.

When Bronchitis take the chronic form the attending symptoms become greatly aggravated, and are associated with many of the very worst symptoms of Phthisis, viz., excessive cough, free expectoration, rapid pulse, night sweats, etc., and finally great debility and emaciation. In this stage the diagnosis between this and Tubercular Consumption is sometimes very difficult; and it is in this case that Cod Liver Oil, when the sufferers can retain it, is of special advantage; and PUTTNER'S EMULSION OF COD LIVER OIL can always be easily retained. In such a case it is invaluable. Under its use we find the cough cease, expectoration diminish, the pulse regain its regularity and force, night sweats cease, physical strength return, and the emaciation give place to renewed flesh. As the state of things may be a sequence of a cold which has been neglected, it behooves every one to be particularly careful of himself while laboring under a cold, no matter how slight it may apparently be. The main thing is to check the disease at its very inception, and the best means by which to attain this is by the early use of PUTTNER'S EMULSION.
