ON 40 DAYS' TRIAL THE GREAT SPIRAL TRUSS

The Pad is different from all others. It closes
Horns as if your extended hand was drawn
together and one finger pointed in the centre.
Buphureis held positive day and night with the
slightest pressure, and healed same as a broken
leg. You will be allowed three ex-
changes during the 40 days. There
is no duty to pay when received
or returned, which many Canadians found more ex-
pensive than the truss. It is the easiest, most durable, and
cheap Truss. Sent by mail. Send stamp for illustrated book.

Electricity as Applied by The Owen Electric Belt and Appliances

Is now recognized as the greatest boon offered to suf-
fering humanity. It HAS, DOES AND WILL effect
cures in seemingly hopeless cases where every other
known means has failed. By its steady, soothing
current, that is easily felt, it will cure:

- | | |
|---|--|
| Rheumatism, Sciatica, Spinal Diseases, General Debility, Neuralgia, Lumbago, Nervous Complaints, Spermatorrhoea, Dyspepsia, | Liver Complaint, Female Complaints Impotency, Constipation, Kidney Disease, Varicocele, Sexual Exhaustion, Epilepsy or Fits, Urinary Diseases, Lame Back. |
|---|--|

We Challenge the World

To show an Electric Belt where the current is under
the control of the patient as completely as this. We
can use the same belt on an infant that we would on a
giant by simply reducing the number of cells. Ordina-
ry belts are not so.

Beware of Imitations and Cheap Belts.

We desire to warn the public against purchasing
worthless imitations of the Genuine Owen Electric
Belt that has stood the test of years and has a con-
tinental reputation. The portrait of Dr. A. Owen is
embossed in gold upon every belt and appliance
manufactured by us. None genuine without it.

Geo. C. Pitzer, M.D.

Professor of the Theory and Practice of Medicine in
the American Medical College, St. Louis, author of
"Electricity in Medicine and Surgery," says:—

"St. Louis, Mo., June 10, 1886.
"I take pleasure in stating that I have examined
and tested Dr. Owen's Electro-Galvanic Belt and
appliance, and do not hesitate to say that it is the
most practical and efficient of all the galvanic belts I
have used in my practice.

"Geo. C. Pitzer, M.D., 1110 Chambers St."
Dr. Pitzer is considered the best authority we have
in the world on electricity.
